

## **Belfast Healthy Cities**

Councillor Keenan to move:

“This Council congratulates Belfast Healthy Cities on its 25<sup>th</sup> anniversary and commends the significant work which it has done in tackling inequalities in health to date. The Council recognises the benefit of Belfast being a member of the World Health Organization European Healthy Cities Network, which through Belfast Healthy Cities, has placed Belfast on the international stage as a leading example of innovative practice in intersectoral working. The Council welcomes the forthcoming visit of Dr Agis Tsouros of WHO Europe to Belfast on 28th and 29th November, which is an endorsement of Belfast Healthy Cities’ achievements and contribution to health and wellbeing.”
