1.0	Purpose of Report/Summary of Main Issues
1.1	To consider the Notice of Motion received for the meeting of the Council on 1st December, 2025 in relation to Provision of Sustainable Burial Options.
2.0	Recommendation
2.1	Members are asked to note that, in accordance with Standing Orders, Notices of Motion which commit the Council to expenditure or falls within the remit of a particular Committee must be referred to the appropriate committee for consideration and report. At this time Members are only asked to note that the Notice of Motion has been received and that a subsequent report will be brought to Committee, if that Committee so agrees, outlining a detailed consideration of the Notice of Motion and the potential costs implications. The Committee is asked to note that this motion will be referred on the first instance to the People and Communities Committee.
3.0	Main Report
3.1	<u>Key Issues</u> The Committee will be aware that Standing Orders 13 (m) to (r), as agreed by the Council at its meeting on 4th October, are as follows: (m) <i>The Standards and Business Committee will have delegated authority to adopt or reject Notices of Motion. The Lord Mayor will indicate at the Council meeting those Notices of Motion that have been considered by the Standards and Business Committee and whether such Notices of Motion were rejected or adopted. In either case, the proposer only may speak on the issue at Council.</i> (n) <i>The Standards and Business Committee will refer all Notices of Motion directly to a standing committee when the matter to which the Notice of Motion refers falls within the remit of that committee. At Council, the Lord Mayor will indicate that the Notice of Motion was received and referred. There will be no speakers on such Notices of Motion at Council.</i> (o) <i>The Standards and Business Committee will refer Notices of Motion for consideration by full Council when the Notice of Motion relates to a strategic or constitutional matter.</i> (p) <i>The Standards and Business Committee will not have the power to amend the wording of any Notice of Motion that is being referred to the full Council for debate.</i> (q) <i>Any amendments to Notice of Motions to be proposed at the Council are to be furnished at least one day in advance of going to the full Council and will be circulated to Party Group Leaders in advance of the Council meeting.</i>

	(r) <i>In referring any matter to the full Council, the Standards and Business Committee may determine to restrict contributions to the debate in relation to any Notice of Motion to one per political party. At the Council meeting, the Lord Mayor will clearly indicate if the restriction applies.</i>
3.2	The following motion has been received: <u>Provision of sustainable burial options</u> “That this Council recognises the significant environmental impact of traditional burial and cremation practices, including high carbon emissions, chemical pollution, and long-term land use challenges, as highlighted in the All-Party Group on Climate Action’s briefing paper “Beyond Burial and Cremation”. This Council further acknowledges the growing public interest in more sustainable, dignified, and low-carbon alternatives to conventional practices – such as natural (green) burials, tree pod interment, and other emerging end-of-life methods. Natural burial, which involves the use of biodegradable materials, avoids embalming, and often takes place in woodland or meadow settings with minimal ongoing maintenance, has already been successfully implemented elsewhere as a simple and ecologically restorative option. Accordingly, this Council agrees to: 1. Explore the feasibility of providing sustainable burial options within existing or new cemeteries, including the designation of natural burial grounds or woodland burial areas within our district; and 2. Provide an update report on any identified legislative, planning, infrastructural, or regulatory barriers that may impact the delivery of these sustainable end-of-life options locally. “ Proposer: Councillor Hedley Abernethy Seconder: Councillor Tara Brooks
3.3	The motion calls upon the Council to explore the feasibility of providing sustainable burial options within existing or new cemeteries – the responsibility for cemeteries and burial provision sits with the People and Communities Committee - the motion will therefore be referred to that Committee.
3.4	<u>Financial and Resource Implications</u> None associated with this report.
3.5	<u>Equality or Good Relations Implications</u> None.

3.2	The following motion has been received: <u>Priority for our local traders</u> “This Council notes the significant contribution that local independent traders, small businesses, and market stallholders make to Belfast’s economy, tourism offering and community life. This Council further notes that major Council organised events such as the Belfast Maritime Festival, Christmas Market, and other seasonal events attract large crowds and generate substantial commercial opportunities. Accordingly, this Council resolves that for all Belfast City Council organised or Council supported events involving trader or vendor pitches, priority shall be given to traders who are residents or ratepayers within the Belfast City Council area. Council officers should develop and publish a transparent process for allocating pitches which: • gives first refusal to eligible local traders before any external operators are invited; • ensures fair opportunity across different sectors and communities; and • supports the Council’s commitment to local economic growth and inclusive prosperity.” Proposer: Councillor Jordan Doran Seconder: Alderman Frank McCoubrey
3.3	The motion calls upon the Council to give priority to traders who are residents or ratepayer within the Belfast City Council area at Council organised or Council supported events involving trader or vendor pitches – the responsibility for these events lies with the City Growth and Regeneration Committee - the motion will therefore be referred to that Committee.

At the Council meeting, the Lord Mayor will clearly indicate if the restriction applies.</i>
3.2	The following motion has been received: <u>Notice of Motion – Definition of Victim</u> “Belfast City Council (hereinafter “this Council”) expresses deep concern that the definition of victim within the <i>Victims and Survivors (Northern Ireland) Order 2006</i> fails to distinguish between those who perpetrated wrongdoing during the Troubles and the innocent victims whom they harmed, injured, killed, or bereaved.

	This Council further notes that many of those innocent victims and their families live within Belfast, rely on Belfast-based victim support services, and remain directly affected by how such definitions are applied in practice. This Council believes that innocent victims should not be required to engage with terrorists or their supporters when accessing victim-support services; asserts that there is no moral equivalence between victim-makers and innocent victims; and welcomes the fact that the Victims' Pension legislation makes a clear and necessary distinction between perpetrator and victim. This Council condemns the SDLP and, in particular, the Alliance Party for supporting the Sinn Féin amendment in a recent Assembly motion on the legacy of the past — an amendment which deliberately removed the word “innocent” from the description of a victim and intentionally blurred the line between perpetrator and victim. Accordingly, this Council resolves to write to the Justice Minister expressing serious concern regarding her publicly stated view that some terrorist perpetrators may also be considered victims, and to request that she clarify those comments and offer an apology to innocent victims who have been distressed by them, including those here in Belfast.” Proposer: Alderman Dean A. McCullough Seconder: Alderman James Lawlor
3.3	The motion calls upon the Council to write to the Justice Minister as set out above the Committee can either adopt the motion, refer it for debate at the Council meeting (with or without restrictions) or reject the motion.
