Craig, a chara,

2025 Belfast Culture Night

Thank you for your letter of 22nd May 2025 in respect of Belfast Culture Night.

I understand Translink are working with the City Council to develop a support plan for the event and welcome that both organisations are continuing to work together to ensure that people will be able to travel to and from the event by public transport.

On a wider basis, I remain committed to finding a solution which will enable the extension of late-night public transport services, not only for one off events in the city, but on a year-round basis and will continue to build on my recent positive engagement with the Economy Minister and representatives of Belfast City Council in this regard.

I wish you well for Belfast Culture Night.

Is mise le meas,

LIZ KIMMINS MLA
Minister for Infrastructure
