<b>1.0</b>	<b>Purpose of Report/Summary of Main Issues</b>
1.1	To provide the Committee with an update on the recent changes to the liquor licencing laws in Northern Ireland and to establish a position in relation to any objections which the Council may wish to lodge in relation to applications arising from the amended legislation.
<b>2.0</b>	<b>Recommendations</b>
2.1	Having considered the key issues outlined, the Committee is recommended to review the options outlined in the undernoted sections of the report and establish a position in relation to any objections which the Council may wish to lodge arising from notification of various liquor licence applications arising from the amended legislation.
<b>3.0</b>	<b>Background</b>
3.1	The Committee, at its meeting on 20th October, agreed to defer consideration of a report on the Licensing and Registration of Clubs (Amendment) Act (NI) 2021 to a special meeting and agreed also that, in the interim, applications which had been notified to the Council would

	be dealt with under delegated authority, thereby permitting the Strategic Director of Place and Economy, in consultation with the City Solicitor, to lodge objections to notices of applications received under liquor licensing legislation. The Member who proposed the special meeting is content, due to the lack of business, for the issue to be considered at this meeting.
3.2	The report from the meeting of 20th October is attached at Appendix 1.
3.3	The Licensing (Northern Ireland) Order 1996 (the Licensing Order) sets out the general licensing systems, including procedures governing the granting or renewal of licences by county/magistrates' courts, permitted hours for the sale of alcoholic drinks, conduct of premises, conditions pertaining to the presence of children in licensed premises, and enforcement. The Registration of Clubs (Northern Ireland) Order 1996 does the same for the supply of alcoholic drinks in private members' clubs.
3.4	Enforcement of all matters relating to the sale and supply of alcohol is the responsibility of the PSNI.
4.0	<b>Key issues</b>
	<b><u>Legislation</u></b>
4.1	The Licensing and Registration of Clubs (Amendment) Act (NI) 2021 amends the Licensing Order and the Registrations of Clubs (NI) 1996.
4.2	<p>The key changes, which will take effect in phases, include:</p> <ul style="list-style-type: none"> <li>• All additional restrictions on opening hours over Easter weekend will be removed;</li> <li>• Opening hours on Sunday evenings will be the same as any other night;</li> <li>• Pubs and Hotels can apply to open until 2am up to 104 nights per year (instead of 1a.m.);</li> <li>• Smaller pubs will be able to open to 1am up to 104 nights per year;</li> <li>• Drinking-up time will be increased to 1 hour (allowing pubs to stay open until 3am);</li> <li>• There will be flexibility around opening hours for bars at major events;</li> <li>• A new category of licence will be created for local producers of craft beers, ciders and spirits (allowing drink producers to obtain a licence to sell off-sales alcohol and, in limited circumstances, open taprooms so customers can buy drink alcohol on site);</li> <li>• Cinemas will be able to apply for a liquor licence and serve drink to customers;</li> <li>• Sporting clubs will be able to use their grounds for functions up to 6 times per year;</li> <li>• Registered clubs will be able to open to 1am up to 104 nights per year;</li> <li>• Self-service of alcohol and sales by vending machines will be prohibited;</li> <li>• Restrictions will be placed on off-sales drinks promotions; and</li> <li>• Loyalty schemes will not be able to award or redeem points for the sale of alcoholic drinks.</li> </ul>

	<p><b><u>Implications for the Council</u></b></p>
4.3	There are a number of changes which came into force on 1st October 2021 which will impact on matters relating to entertainments licensing. It is therefore important that the Committee establish a position in relation to those matters and, if necessary, clarify circumstances regarding any objections the Council may wish to lodge to liquor licence applications.
4.4	Notwithstanding the financial pressures the hospitality sector was already facing, the impact of COVID has been unprecedented and the Council will seek, where possible, to assist the recovery of the sector. However, it is recognised that this must be balanced against the right of local residents not to be subject to unacceptable disturbance.
4.5	In the following sections the changes to the legislation are outlined, along with how this impacts on existing and future entertainments licences. Options in relation to these matters are then provided for consideration.
4.6	The new Article 44A gives a court power to extend later opening until 2.00am in pubs or hotels which are structurally adapted to provide entertainment and/or substantial refreshment and which already hold a licence for later opening under Article 44 of the Licensing Order. The amendments introduced in October extend 'drinking up time' from 30 minutes to an hour. The net effect of these changes is that alcohol can be consumed until 3.00am in those premises which have both an Article 44 and Article 44A licence.
4.7	Musical or other entertainment and/or substantial refreshment must be provided throughout the later opening. For most premises in Belfast they are permitted to sell alcohol to later hours by virtue of providing entertainment. For those who wish to apply for further additional permitted hours they will be required to produce a copy of their entertainments licence for the courts.
4.8	A licence granted under an Article 44A may only be issued for a maximum of 104 days in any twelve-month period, except for Christmas Day.
4.9	Notice of the application must be published in local newspapers and a notice displayed on or near the premises and served upon both the PSNI and the Council.
4.10	<p>The Court can revoke, modify or place terms and conditions on an Article 44A licence for the following reasons,</p> <ol style="list-style-type: none"> <li>1. the business was conducted in such a manner to cause undue inconvenience to local residents, or</li> <li>2. that the hours caused undue inconvenience to local residents, or</li> <li>3. that the part of the premises mentioned in the order wasn't being used for the purposes of providing entertainment and/or substantial refreshment.</li> </ol> <p><b>Issues for consideration</b></p>
4.11	Whilst most city centre pubs have entertainment licences to 3.00am, this does not always extend to every night of the week and for pubs located in residential areas many of them only have entertainment licences to 1.00am.

4.12	As a notice party to Article 44A extension applications the Council should be sensitive to potential nuisance issues for local residents, particularly where there have been objections to Entertainment licences in the past and restricted licences arising.
4.13	However, it is also the case that these application must be published in local newspapers and a notice displayed on or near the premises thereby providing local residents with the opportunity to make their own representations to the courts on any applications for later hours.
	<b>Pubs and Hotels – City Centre Locations</b>
4.14	<p>Since your meeting in October a number of Article 44A extension applications have been received by the Council and, in responding to these, Council officers have had regard to the following:</p> <ul style="list-style-type: none"> <li>• location of the premises,</li> <li>• the proximity of residential areas,</li> <li>• any restrictions placed upon the premises by virtue of its Entertainment Licence,</li> <li>• any history of complaints regarding the operation of the premises,</li> <li>• Building Regulation issues, and</li> <li>• Complaints regarding anti-social behaviour in and around the premises.</li> </ul>
4.15	<p>Most of the applications received to date have related to city centre venues. These premises fall into two categories:</p> <ol style="list-style-type: none"> <li>1. Those that have entertainments licences which permit entertainment to 3.00am every night of the week, and</li> <li>2. Those that have entertainments licences which permit entertainment to 3.00am only on specified nights of the week.</li> </ol>
4.16	Members are reminded that, in all these cases, where the applicant wishes to provide entertainment later than 1.00am, these licences will have been subject to consideration and approval by the Licensing Committee.
4.17	<p>The response offered under delegated authority by the Council to these applications has been:</p> <ol style="list-style-type: none"> <li>1. To offer no objection to Article 44A extension applications which have been received to serve alcohol to 2.00am for city centre venues where they are in possession of an entertainments licence which permits entertainment to 3.00am every night of the week, and</li> <li>2. To confirm that, in principle, the Council has no objection to Article 44A extension applications which have been received to serve alcohol to 2.00am for city centre venues where they are in possession of an entertainments licence which permits entertainment to 3.00am only on specified nights of the week but advising the Court of the fact that the Entertainments Licence does not permit entertainment to 3.00am on some of the dates to which the extension applications relate.</li> </ol> <p><b>Pubs and Hotels – non-City Centre Locations</b></p>
4.18	Since the Committee meeting in October, the Council has been consulted on two applications for premises outside the city centre and, given their proximity to residential areas, officers advised the Court that it is considered more appropriate for Committee to

	determine how best to respond to such applications and asked that any hearing is postponed until such times as the Committee has had an opportunity to consider these applications.
4.19	<p>Members are therefore requested to consider a suitable response for the Article 44A applications in respect of the undernoted two premises.</p> <p><b>Biddy Duffy's, 133 Andersonstown Road.</b></p> <p><b><u>Entertainments Licence</u></b></p>
4.20	<p>The entertainments licence is held by Mr. Peter Teague and the areas where entertainment may be provided are the:</p> <ul style="list-style-type: none"> <li>• Ground Floor, with a maximum capacity of 50 persons.</li> <li>• First Floor, with a maximum capacity of 120 persons.</li> </ul>
4.21	<p>The days and hours during which entertainment may be provided are:</p> <ul style="list-style-type: none"> <li>• Monday to Thursday: 11.30am to 1.00am the following morning,</li> <li>• Friday and Saturday: 11.30am to 2.00am the following morning, and</li> <li>• Sunday: 12.00pm to midnight.</li> </ul>
4.22	<p>There is also a special licence condition that Entertainment is permitted to 2.00am on all Bank and Public Holidays.</p> <p><b><u>Article 44A application for an order for Additional permitted hours</u></b></p>
4.23	<p>The Article 44A extension application is to serve alcohol until 2.00am on 52 Saturdays in the period from 27th November 2021 to 26th November 2022. In addition, application has been made for another 52 extensions to 2.00am from 26<sup>th</sup> November 2021 to 18th November 2022.</p>
4.24	<p>Some of these dates fall on Bank or Public holidays and would therefore be dates when entertainment is permitted to 2.00 am. However, other dates include 20<sup>th</sup> - 23<sup>rd</sup> December, 29<sup>th</sup> and 30<sup>th</sup> December, 13<sup>th</sup> and 14<sup>th</sup> February, 16<sup>th</sup> March, 1<sup>st</sup> May, 2<sup>nd</sup> June, 11<sup>th</sup> July, 30<sup>th</sup> and 31<sup>st</sup> October. On these dates, entertainment may only be provided to 1.00 am or, for those dates which fall on a Sunday, to midnight.</p>
4.25	<p>A copy of the Article 44A application is included at Appendix 2.</p> <p><b><u>Premises Overview</u></b></p>
4.26	<p>The premises are located on an arterial route and there is residential accommodation situated to the rear of the property. A location map is included as Appendix 3.</p>
4.27	<p>The most recent complaint regarding the premises was received in February 2015 and related to the provision of entertainment after 1.00am. A subsequent application to vary the licence was considered by Members in June 2015 and the hours outlined above at 4.21 were agreed by the Licensing Committee.</p>
4.28	<p>A recent inspection of the premises revealed that some works had been undertaken to the first floor of the premises and the licensee has been asked to submit a Building Regulation application in respect of these works.</p>

4.29	There have been no complaints regarding anti-social behaviour nor have any objections been received to the renewal of the licence in the last 10 years.
4.30	There are no restrictions in relation to the operation of the premises by virtue of its Entertainment Licence other than those outline in 4.21 to 4.22 above.
4.31	<p>Given that the premises are quite close to residential properties Members may wish to consider whether there is potential that the hours applied for, or any period immediately following their termination, may lead to undue inconvenience to persons residing in the vicinity of the premises.</p> <p><b>Horatio Todds, 406-408 Upper Newtownards Road.</b></p> <p><u>Entertainments Licence</u></p>
4.32	<p>The entertainments licence is held by Wandsworth Pubs Ltd. and the area where entertainment may be provided is the:</p> <ul style="list-style-type: none"> <li>• Ground Floor, with a maximum capacity of 300 persons.</li> </ul>
4.33	<p>The days and hours during which entertainment may be provided are:</p> <ul style="list-style-type: none"> <li>• Monday to Saturday: 11.30am to 1.00am the following morning, and</li> <li>• Sunday: 12.30pm to midnight.</li> </ul> <p><u>Article 44A application for an order for additional permitted hours</u></p>
4.34	The Article 44A extension application is to serve alcohol until 2.00am on 52 Saturdays in the period from 11 <sup>th</sup> December 2021 to 10 <sup>th</sup> December 2022. In addition, application has been made for another 52 extensions to 2.00am between 10 <sup>th</sup> December 2021 and 25 <sup>th</sup> November 2022, some of which fall on Fridays and Bank or Public holidays.
4.35	However, all of these are days where entertainment may only be provided to 1.00am or, for those dates which fall on a Sunday, to midnight.
4.36	A copy of the Article 44A application is included at Appendix 4.
	<u>Premises Overview</u>
4.37	The premises are located on an arterial route and there is residential accommodation situated to the rear of the property. A location map is included at Appendix 5.
4.38	There have been no complaints regarding the premises nor have any objections been received to the renewal of the licence in the last 10 years.
4.39	There are no outstanding Building Regulation matters in respect of the premises.
4.40	There are no restrictions in relation to the operation of the premises by virtue of its Entertainment Licence other than those outline in 4.33 above.
4.41	Given that the premises are quite close to residential properties Members may wish to consider whether there is potential that the hours applied for, or any period immediately following their termination, may lead to undue inconvenience to persons residing in the vicinity of the premises.

<p>4.42</p> <p>4.43</p> <p>4.44</p> <p>4.45</p> <p>4.46</p>	<p><b>Police authorisations for Additional Hours</b></p> <p>The new legislation also introduces new, or amends existing, powers for police authorisations for additional hours which,</p> <ol style="list-style-type: none"> <li>1. allows pubs which have an Article 44 licence to apply to PSNI for ad-hoc late opening (11.00pm - 1.00am) up to 20 times per year for a day not covered by the article 44 Order,</li> <li>2. increases the number of occasions smaller pubs (which are not structurally adapted and therefore unable to apply for an Article 44 licence) can apply for late opening (11.00pm - 1.00am) from 20 to 104 times per year, and</li> <li>3. increases the number of occasions registered clubs can apply for late opening (11.00pm - 1.00am) from 85 to 104 times per year.</li> </ol> <p>The applicant must display notice of the application on or near the relevant premises during the three weeks before the first occasion to which the application relates. The Council must also be served with a copy of the Notice three weeks before the first date to which the application relates.</p> <p>The process whereby PSNI has considered extension licence applications for small pubs and registered clubs has been in place for some considerable time and, in granting those extensions, there have been limited evidence that this has led to any significant problem in relation to complaints being received by the Council.</p> <p>There is also provision for complaints from PSNI, Council or any person owning or residing in premises within the vicinity, to be made to the courts where undue inconvenience is caused to local residents as a result of a late night authorisation. Upon receipt of such a complaint the Court can revoke, modify or impose additional terms and conditions as it thinks fit.</p> <p>Unlike applicants for an Article 44A licence, those applying to the police for additional hours authorisations will not always hold an entertainments licence. The Council will therefore not always have the same amount of information on those venues.</p>
<p>5.1</p> <p>5.2</p>	<p><b>Recommendations:</b></p> <p><b>The Committee is asked to determine its position in respect of the following:</b></p> <p><b>City Centre Pubs and Hotels</b></p> <p>Members are asked to agree that officers deal with city centre applications under delegated authority as set out in paragraph 4.17 if the provision of entertainment at the premises has not been subject to significant objection or prosecution in the past. Where there is such a history those applications will be brought to Committee to determine.</p> <p><b>Biddy Duffy's and Horatio Todds Article 44A Applications</b></p> <p>Taking into account the information provided in relation each premises, the Committee is asked whether it wishes to:</p> <ol style="list-style-type: none"> <li>a. Offer no objection.</li> <li>b. Offer no objection but advise the Court of the fact that the Entertainments Licence does not permit entertainment to 3.00am on any of the dates to which the extension applications relate.</li> </ol>

	<p>c. Offer no objection provided that the applicant agrees to a special condition being attached to their entertainments licence which prohibits the provision of entertainment later than 2.00am unless there is an entertainment licence in place which expressly permits same.</p> <p>d. Object to all of the Article 44A extension applications until such times as the applicant has made an application to vary their entertainment licence to permit entertainment until 3.00am so that issues around noise disturbance, anti-social behaviour, impact upon local residents and amenity etc, can be properly assessed.</p> <p><b>Decision for Members on non-City Centre Pubs and Hotels Generally</b></p>
5.3	The Committee is asked to agree that officers deal with non-city centre applications under delegated authority in a similar manner to the applications in respect of Biddu Duffy's and Horatio Todds.
5.4	This is if the provision of entertainment at the premises has not been subject to significant objection or prosecution in the past. Where there is such a history those applications will be brought to Committee to determine.
	<b>Decision for Members on Police authorisations for Additional Hours</b>
5.5	<p>Taking into account the information provided Members are asked to agree that officers deal with these applications under delegated authority and will not make representation in respect of these applications unless there is reason to do so by virtue of any:</p> <p>a) restrictions placed upon the Entertainment Licence (if the premises associated with the application has an Entertainments licence);</p> <p>b) complaints regarding the operation of, or anti-social behaviour in and around, the premises; and</p> <p>c) Building Regulation or other Council statutory enforcement issues.</p>

<b>1.0</b>	<b>Purpose of Report or Summary of main Issues</b>
1.1	<p>The purpose of this report is to provide an update to the Licensing Committee regarding the recent changes to the liquor licencing laws in Northern Ireland by virtue of the Licensing and Registration of Clubs (Amendment) Act (NI) 2021, which received Royal Assent on 26<sup>th</sup> August 2021. This will have implications for Entertainments Licences.</p> <p>The changes will come into effect in phases over the next few years with Phase 1; sections 1-6, 8, 21, 23, 24, 27, 30-33, 42 and 43, in effect from 1<sup>st</sup> October 2021.</p>
<b>2.0</b>	<b>Recommendations</b>
2.1	<p>It is recommended that Members</p> <p>(i) note the contents of the report and the key issues outlined within, and</p> <p>(ii) establish a position in relation to any objections the Council may wish to lodge.</p>

<b>3.0</b>	<b>Background</b>
3.1	The Licensing (Northern Ireland) Order 1996 (the Licensing Order) sets out the general licensing systems, including procedures governing the granting or renewal of licences by county/magistrates' courts, permitted hours for the sale of alcoholic drinks, conduct of premises, conditions pertaining to the presence of children in licensed premises, and enforcement. The Registration of Clubs (Northern Ireland) Order 1996 does the same for the supply of alcoholic drinks in private members' clubs.
3.2	The legislation was amended by the Licensing and Registration of Clubs (Amendment) Act (Northern Ireland) 2011, and included measures such as closure powers for police, penalty points, proof of age requirements and irresponsible drinks promotions. These measures were aimed at striking a balance between facilitating the sale of alcoholic drinks, public safety and the public interest. The Licensing of Pavement Cafés Act (Northern Ireland) 2014 inserted Part 5A in the Licensing Order, effectively extending the licensed area of certain premises to a specified public area.
3.3	A further review of the legislation, which had begun in 2012, resulted in the Licensing and Registration of Clubs (Amendment) Bill (the 2016 Bill), which was introduced in the Assembly in September 2016 but subsequently fell with the dissolution of the Assembly in January 2017. Earlier in 2016, a private member's Bill successfully completed its legislative passage in the Assembly, and added outdoor stadia as a category of premises which may be granted a liquor licence.
3.4	The aim of the 2016 Bill was to address growing concerns surrounding the level of alcohol misuse in Northern Ireland and to respond to calls from the licensed trade for changes to support the hospitality sector. The Licensing and Registration of Clubs (Amendment) Act (NI) 2021 mirrors that of the 2016 Bill, with the policy objectives being to introduce a balanced package of measures to update the law in respect of the retail sale of alcoholic drinks and to make it more responsive to the current social and economic environment.
3.5	In October 2019, the Department launched a public consultation on Liquor Licensing Laws. The consultation was a follow up to the 2012 consultation "Proposed changes to the law regulating the sale and supply of alcohol in Northern Ireland". With no Ministers in place, the consultation did not contain any proposals but sought views from all interested individuals and organisations on whether any changes to the law could be made in the future to allow a more flexible and modern licensing framework to develop.
<b>4.0</b>	<b>Key issues</b>
<b>4.1</b>	<b>Legislation</b>
4.1.1	The Licensing and Registration of Clubs (Amendment) Act (NI) 2021 amends the Licensing Order and the Registrations of Clubs (NI) 1996 (attached at Appendix 1).
4.1.2	<p>The key changes, which will take effect in phases, include (attached at Appendix 2):</p> <ul style="list-style-type: none"> <li>• All additional restrictions on opening hours over Easter weekend will be removed;</li> <li>• Opening hours on Sunday evenings will be the same as any other night;</li> <li>• Pubs and Hotels can apply to open until 2am up to 104 nights per year (instead of 1pm);</li> <li>• Smaller pubs will be able to open to 1am up to 104 nights per year;</li> <li>• Drinking-up time will be increased to 1 hour (allowing pubs to stay open until 3am);</li> <li>• There will be flexibility around opening hours for bars at major events;</li> </ul>

	<ul style="list-style-type: none"> <li>• A new category of licence will be created for local producers of craft beers, ciders and spirits (allowing drink producers to obtain a licence to sell off-sales alcohol and, in limited circumstances, open taprooms so customers can buy drink alcohol on site).</li> <li>• Cinemas will be able to apply for a liquor licence and serve drink to customers watching a movie;</li> <li>• Sporting clubs will be able to use their grounds for functions up to 6 times per year;</li> <li>• Registered clubs will be able to open to 1am up to 104 nights per year;</li> <li>• Self-service of alcohol and sales by vending machines will be prohibited;</li> <li>• Restrictions will be placed on off-sales drinks promotions;</li> <li>• Loyalty schemes will not be able to award or redeem points for the sale of alcoholic drinks</li> </ul> <p><b><u>PUBS &amp; HOTELS</u></b></p>
4.1.3	The new Article 44A (Order for further additional permitted hours) gives a court power to extend later opening by one hour in pubs or hotels which are structurally adapted to provide entertainment and/or substantial refreshment and which hold a court order for later opening under Article 44 of the Licensing Order.
4.1.4	Musical or other entertainment and/or substantial refreshment must be provided throughout the later opening just as if an order under Article 44 applied that day.
4.1.5	Some applications can be dealt with by the Court office. However, the Court may require some applications to be made formally in court and must do so when an objection has been received. Notice of the application must be published in local newspapers and a notice displayed on or near the premises and served upon the PSNI and the Council.
4.1.6	A late licence granted under an Article 44A may be made for a maximum of 104 days in any year (twelve-month period), except for Christmas Day.
4.1.7	<p>The Court can revoke, modify or place terms and conditions on an Article 44 order for the following reasons;</p> <ol style="list-style-type: none"> <li>1. the business was conducted in such a manner to cause undue inconvenience to local residents, or</li> <li>2. that the hours caused undue inconvenience to local residents, or</li> <li>3. that the part of the premises mentioned in the order wasn't being used for the purposes of providing entertainment and/or substantial refreshment.</li> </ol>
4.1.8	The legislation extends drinking up time from 30 minutes to 60 minutes (an extra half hour). It also aligns the closing time for the purposes of both liquor and entertainment licensing. As part of the application process, the licence holder will be required to produce the entertainments licence for the premises by the Council. It is a licence holder's responsibility to ensure that the relevant entertainment licence is in place in order to apply for and avail of any additional permitted hours made available by the Act. Entertainment must end at 2.00am when an Article 44 order applies and 3.00am when an Article 44A order applies. Whilst most city centre pubs have entertainment licences to 3.00am, this may present difficulties for pubs located in residential areas which do not. If entertainment continues to be provided beyond the latest time for consumption of alcohol, the order for additional (or further) additional permitted hours is invalidated, and the sale of alcohol must cease at 11pm.
4.1.9	The new legislation also provides for police authorisations for additional hours to;

	<ol style="list-style-type: none"> <li>1. allow pubs which have an Article 44 order in place to apply to the police for ad-hoc late opening, (11.00pm- 1.00am), up to 20 times per year for a day not covered by the article 44 Order: and</li> <li>2. increases the number of occasions smaller pubs (which are not structurally adapted and therefore unable to apply for an Article 44 order) can apply for late opening to 104. Multiple dates may be included in one application.</li> </ol>
4.1.10	The applicant must display notice of the application on or near the relevant premises during the three weeks before the first occasion to which the application relates. The Council must also be served with a copy of the Notice three weeks before the first date to which the application relates.
4.1.11	There is also provision for complaints from the police, council or any person owning or residing in premises within the vicinity, to be made to the courts where undue inconvenience is caused to local residents as a result of a late night authorisation. Upon receipt of such a complaint the Court can revoke, modify or impose additional terms and conditions as it thinks fit.
	<b><u>REGISTERED CLUBS</u></b>
4.1.12	Similar to pubs and hotels, the legislation removes the restrictions at Easter; late opening on a Sunday and also increases drinking-up time from 30 minutes to 1 hour.
	<b><u>YOUNG PEOPLE IN LICENSED PREMISES</u></b>
4.1.13	The sections in the new Act which relate to young people are not in force, however it is important that Members are aware of the amendments to the legislation.
4.1.14	The requirement to hold a children's certificate has been repealed, however the new Act includes safeguards which must be in place before young people under 18 years of age are allowed in a bar or at a private function. It also permits underage events on licensed premises up to 1.00am.
	<b><u>ADDITIONAL PROVISIONS</u></b>
4.1.15	DfC must appoint an independent person, within one year of the Act receiving Royal Assent, to undertake a review of the licensing system. That person must report and make recommendations within two years of their appointment. The Department must lay the report before the Assembly, publish the report, and, within six months of publication, produce and publish an action plan to address the recommendations of the review report.
4.1.16	DfC must also review and report on each of the provisions in Parts 1 and 2 of the Act as soon as is practicable after the third anniversary of the commencement of that provision and thereafter, at least once in every five years. These reports must be brought to the Assembly and published.
4.2	<b>Implications for Council</b>
4.2.1	Notwithstanding the financial pressures the hospitality sector was already facing, the impact of COVID has been unprecedented and the Council will seek to, where possible, assist the recovery of the sector. However, it is recognised that this has to be balanced against the right of local residents not to be subject to unacceptable disturbance.

4.2.2	For those reasons the Committee must establish a position in relation to any objections Council may wish to lodge. For example, whether Committee would adopt a different position between city centre applications and those which are in residential areas.
4.2.3	The Council should be sensitive to potential nuisance issues for local residents, particularly where there have been objections to Entertainment licences in the past and restricted licences arising.
4.2.4	Officers will bring a subsequent report to Committee outlining how applications will be processed. It will also set out any potential implications for Entertainment Licences but it is important to hear Members views about the changes in the first instance.
4.2.5	In the interim, it is proposed that applications which are notified to Council will be dealt with under delegated authority pursuant to paragraph 3.7.9 of the Scheme of Delegation which permits the Strategic Director of Place and Economy to lodge objections, in consultation with the City Solicitor, in relation to notices of applications received under liquor licensing legislation.
4.2.6	In determining how to respond to any applications notified to the Council officers will have regard to the following: <ul style="list-style-type: none"> <li>• location of the premises;</li> <li>• the proximity of residential areas;</li> <li>• any history of complaints regarding the operation of the premises;</li> <li>• Building Control Regulation issues,</li> <li>• Complaints regarding anti-social behaviour in and around the premises; and</li> <li>• Any restrictions placed upon the premises by virtue of its Entertainment Licence.</li> </ul>
4.2.7	Officers will also have regard to any other matter which is considered relevant in the circumstances.
4.2.8	Where it is considered that it is more appropriate for Committee to determine how best to respond to such applications, officers will advise the Court accordingly and ask that any hearing is postponed until such times as the Committee has had an opportunity to consider the application.
3.3	<u>Financial &amp; Resource Implications</u> None.
3.4	<u>Equality or Good Relations Implications/Rural Needs Assessment</u> None.

25 (3) A court is satisfied for the purposes of this paragraph in the case of premises if, on a complaint made under Part 8 of the Magistrates' Courts (Northern Ireland) Order 1981, it is satisfied that, on a previous day specified in an order under Article 44A in relation to the premises—

- 30 (a) the business carried on in the premises was conducted during the hours mentioned in paragraph (3) or (4) of Article 44A (as the case may be) or any period immediately following their termination in such a manner as to cause undue inconvenience to persons residing in the vicinity of the premises; or

10 newspapers circulating in the vicinity of the premises to which the application relates;

(b) during the 3 weeks before that time, cause notice of the application to be displayed on or near the premises to which the application relates.”.

(b) in paragraph 1, after “44” insert “, 44A”, and

(c) in paragraph 4, after sub-paragraph (b) insert—

4. After Article 44B of the Licensing Order (inserted by section 3(1)) insert—

##### **“Alignment of closing time for liquor and entertainment**

25 44C.—(1) This Article applies in relation to any occasion on which an entertainments licence in force in respect of premises to which an order under Article 44 applies would (but for this Article) permit entertainment that was being provided in the premises to continue to be provided in the premises after the end of the hours mentioned in Article 44(2).

30 (2) The hours mentioned in Article 44(2) do not apply in relation to the premises on that occasion and the hours specified in Article 42 apply instead in relation to the premises on that occasion.

(3) But the entertainments licence continues in force on that occasion and accordingly permits entertainment to be provided in the premises after the end of the hours specified in Article 42.

35 (4) If an order under Article 44A(3) or (4) applies in relation to the premises, the references in this Article to the hours mentioned in Article 44(2) are to be read as including a reference to the additional hour authorised by that order.

40 (5) The references in this Article to the hours specified in Article 42 are references to those hours as extended by Article 46.

(6) In this Article—

“entertainments licence” means a licence under paragraph 3 of Schedule 1 to the Local Government (Miscellaneous Provisions) (Northern Ireland) Order 1985.”.

**Police authorisations for additional hours**

5     **5.**—(1) In Article 45 of the Licensing Order (authorisations for additional permitted hours), in paragraph (1)—

- (a) omit “other than premises to which an order under Article 44 applies”,
- (b) before “occasion to which the application relates” insert “first”, and
- 10     (c) in the full-out words at the end, for “on any 1 occasion specified in the authorisation” substitute “on such occasions specified in the authorisation as the commander thinks fit”.

(2) After that paragraph insert—

15     “(1A) In the case of premises to which an order under Article 44 applies, an authorisation under this Article is subject to a condition that, during the additional hours authorised, the premises may be used for the sale of intoxicating liquor only if they are also being used for the provision of—

- (a) musical or other entertainment; or
- (b) substantial refreshment; or
- (c) both such entertainment and refreshment.

20     (1B) In paragraph (1A), “entertainment” has the same meaning as in Article 44 (see paragraph (8) of that Article).”.

(3) For paragraph (2) of that Article substitute—

25     “(2) In the case of premises to which an order under Article 44 applies, not more than 20 authorisations shall be granted under this Article to the holder of the licence of the premises in any year.

(2A) In the case of premises of any other description, not more than 104 authorisations shall be granted under this Article to the holder of the licence of the premises in any year.

30     (2B) Regulations may modify paragraph (2) or (2A) so as to substitute a different number of authorisations for the number for the time being specified there.

(2C) Regulations may not be made under paragraph (2B) unless a draft of the regulations has been laid before, and approved by a resolution of, the Assembly.”.

35     (4) After paragraph (3) of that Article insert—

“(4) A person who intends to make an application under this Article shall—

- (a) during the 3 weeks before the first occasion to which the application relates, cause notice of the application to be displayed on or near the premises for which the authorisation is to be sought;
- 40     (b) not less than 3 weeks before that time, serve a copy of the notice of the application on the district council for the district in which the premises are situated.

(5) The notice under paragraph (4) must specify the kind of premises to which the application relates and must contain such information as may be prescribed by magistrates' courts rules.

5 (6) The following provisions of this Article apply where a complaint is made to a court of summary jurisdiction under Part 8 of the Magistrates' Courts (Northern Ireland) Order 1981 on the grounds—

(a) that the business carried on in premises to which an authorisation under this Article applies is being conducted during the hours mentioned in paragraph (1) or any period immediately following their termination in such a manner as to cause undue  
10 inconvenience to persons residing in the vicinity of the premises; or

(b) that such hours are causing undue inconvenience to persons residing in the vicinity of the premises.

15 (7) Where the court is satisfied that the grounds of the complaint are made out, it may—

(a) revoke the authorisation; or

(b) modify the authorisation or, in relation to the authorisation, the hours mentioned in paragraph (1); or

20 (c) make the continuance of the authorisation subject to such terms and conditions as the court thinks fit.

(8) The terms and conditions which may be imposed under paragraph (7)(c) include those requested by the district commander of the police district in which the premises are situated.”.

25 **Extension of “drinking-up time”**

6.—(1) In Article 46 of the Licensing Order (exceptions from prohibition of sale etc. of intoxicating liquor outside permitted hours), in paragraph (1), in each of sub-paragraphs (a) and (b), for “30 minutes” substitute “60 minutes”.

(2) After paragraph (3) of that Article insert—

30 “(4) Regulations may modify paragraph (1)(a) or (b) so as to substitute “30 minutes” for “60 minutes”.

(5) Regulations may not be made under paragraph (4) unless a draft of the regulations has been laid before, and approved by a resolution of, the Assembly.”.

35 **Major events**

7.—(1) After Article 48 of the Licensing Order (but before the following cross-heading) insert—

*“Major event orders*

**Extension of permitted hours for major events**

40 48A.—(1) Where the Department considers that an event which is to take place in Northern Ireland will attract significant public interest

(whether throughout Northern Ireland or in certain areas only), it may make an order (a “major event order”) which—

(a) designates the event as a major event, and

5 (b) provides that, during the period specified in the order, the permitted hours for any place or premises to which the order applies are the hours specified in the order.

(2) A major event order may apply to—

(a) all licensed premises either in Northern Ireland as a whole or in the area or areas specified;

10 (b) all licensed premises of a specified kind either in Northern Ireland as a whole or in the area or areas specified;

(c) any place or premises for which an occasional licence has been granted and which is or are situated on the site where the event is to take place.

15 (3) In specifying an area for the purposes of paragraph (2)(a) or (b), a major event order may in particular do so by reference to the place or premises at which the event is to take place or the area in the vicinity of the place or premises.

20 (4) The Department may vary or revoke a major event order; and the circumstances in which it may revoke an order include, in a case where the period specified under paragraph (1)(b) includes two or more days, circumstances in which it considers it necessary to do so because of disorder, or expected disorder, at or in the vicinity of the place or premises at which the event is taking place.

25 (5) The period specified in a major event order may not include Christmas Day.

(6) The hours specified in a major event order are in addition to the hours permitted by any occasional licence, any order under Article 44 or 44A, any authorisation under Article 45 or any extension licence, which  
30 applies to a place or premises to which the major event order applies.

## INTRODUCTION

This guide outlines the provisions of the ***Licensing and Registration of Clubs (Amendment) Act (Northern Ireland) 2021*** (the Act) which received Royal Assent on 26 August 2021. **The changes will come into effect in phases over the next few years with Phase 1 on 1 October 2021.**

It will be of particular interest to the licensed trade, registered clubs, courts and police but should be a useful source of information for district councils, the legal profession and the general public.

The information contained in this guide should not be treated as a complete and authoritative statement of the law which is contained only in the Act and regulations made under it. This guide will be updated as and when outstanding provisions are due to come into effect.

As licensing law is a complex piece of legislation, licence holders may wish to engage the services of a solicitor in terms of bringing any applications through the courts. It is the responsibility of the licence holder to ensure that they, their servants and agents, are fully aware of their requirements under licensing law.

Copies of the Act and associated regulations may be purchased from the Stationery Office at [www.tsoshop.co.uk](http://www.tsoshop.co.uk) or by contacting the TSO Customer Services on 0870 6005522. Alternatively, this legislation may be accessed at [legislation.gov.uk](http://legislation.gov.uk).

## Background

The Department for Communities is responsible for the policy and legislation relating to the retail sale and supply of alcoholic drinks in Northern Ireland.

The current law dates back to 1996 and its reform was one of the Minister for Communities' priorities on her appointment, and the Executive's under the New Decade New Approach Deal. The Licensing and Registration of Clubs (Amendment) Bill 2016, the previous attempt to reform licensing, was nearing the end of its Committee Stage when it fell with the dissolution of the Assembly in January 2017.

The aim of licensing law is to try and strike a balance between the controls which are necessary for the protection of public health and the preservation of public order, the demand for individual freedom of choice and the opportunity for local businesses to continue to provide a high level of service to their customers, which will ensure that Northern Ireland has a more flexible and modern licensing framework to respond to changing expectations and lifestyles.

The Act amends the Licensing (Northern Ireland) Order 1996 (the Licensing Order) and the Registration of Clubs (Northern Ireland) Order 1996 (the Clubs Order).

The key changes include\*:

- Pubs and Hotels can apply to open until 2am up to 104 nights per year;
- Smaller pubs will be able to open to 1am up to 104 nights per year;
- Drinking-up time will be increased to 1 hour;
- All additional restrictions on opening hours over Easter weekend will be removed;
- Opening hours on Sunday evenings will be the same as any other night;
- There will be flexibility around opening hours for bars at major events;
- A new category of licence will be created for local producers of craft beers, ciders and spirits;
- Cinemas will be able to apply for a liquor licence and serve drink to customers watching a movie;
- Sporting clubs will be able to use their grounds for functions up to 6 times per year;
- Registered clubs will be able to open to 1am up to 104 nights per year;

- Self-service of alcohol and sales by vending machines will be prohibited;
- Restrictions will be placed on off-sales drinks promotions;
- Loyalty schemes will not be able to award or redeem points for the sale of alcoholic drinks

**\*The changes made by the Act will not come into operation at the same time. This guide will be updated as and when outstanding changes are due to come into effect.**

# **Overview of the changes coming into effect from 1 October 2021**

## **PART 1 LICENSING**

### **Section 1: Removal of additional restrictions at Easter**

Easter weekend permitted hours now mirror what is available for any other weekend throughout the year.

Section 1 amends Article 30 of the Licensing Order (Occasional licences), Article 42 (General permitted hours), Article 44 (Additional permitted hours), Article 45 (Authorisations for additional permitted hours), Article 47 (Extension licences) and Article 50 (Restrictions as to sales for consumption off premises) by removing all references to Good Friday and Easter Sunday.

The above Articles relate to the permitted hours for the sale of intoxicating liquor under the authority of an occasional licence or in licensed premises (both on and off-sales).

### **Section 2: Removal of restrictions on late opening for on-sales on Sunday**

This section brings the end of general and additional permitted hours on any Sunday into line with those permitted on any other day (11pm with general permitted hours, 1am the following morning with additional hours, or 2am the following morning in pubs and hotels with further additional permitted hours).

Opening times for on-sales on Sundays (12.30pm) and Christmas Day hours (12.30pm -10pm) remain the same.

Section 2 amends Article 30 of the Licensing Order (Occasional licences), Article 42 (General permitted hours), Article 44 (Additional permitted hours), Article 45 (Authorisations for additional permitted hours) and Article 47 (Extension licences) and removes the restrictions on late night permitted hours on a Sunday (currently restricted to 10pm with general permitted hours or 12 midnight with additional hours) for premises licensed for the sale and consumption of intoxicating liquor on the premises.

### **Section 3: Public houses and hotels: further additional hours**

This section allows certain pubs and hotels to apply for an additional hour up to 104 times per year.

Section 3 introduces new Articles 44A and 44B in the Licensing Order in relation to further later opening for public houses and hotels.

The new Article 44A (Order for further additional permitted hours) gives a court<sup>1</sup> or clerk of petty sessions a power, in certain circumstances, to extend later opening by one hour in public houses or hotels which are structurally adapted to provide

---

<sup>1</sup> an application can be made to the county court at the grant of a licence application or a magistrates' court at any point in the future

entertainment and/or substantial refreshment and which hold a court order for later opening under Article 44.

This means that on a night that a pub or hotel has an Article 44 order in place (until 1am), an order under Article 44A permits later opening for an additional one hour (2am).

On a night that a pub or hotel, which has an Article 44 order but not for that night, an order under Article 44A also permits later opening for three hours in premises (11.00pm – 2.00am).

Musical or other entertainment and/or substantial refreshment must be provided throughout the later opening just as if an order under Article 44 applied that day.

A late licence granted under an Article 44A may be made for a maximum of 104 days in any year (twelve month period) but may not be made for Christmas Day.

The Department may, subject to the approval of the NI Assembly, make regulations in the future to change the number of days on which orders under Article 44A may be made.

The new Article 44B (Orders under Article 44A: revocation, modification etc.) provides powers for a magistrates' court to revoke or modify an order for further later opening or to place terms and conditions on an order.

These powers mirror the powers a court has for later opening made under Article 44. The reasons why it may be necessary to revoke or modify a late opening order are if the business was conducted in such a manner to cause undue inconvenience to local residents, or that the hours caused undue inconvenience to local residents, or that the part of the premises mentioned in the order wasn't being used for the purposes of providing entertainment and/or substantial refreshment.

A licence holder applying to a court of summary jurisdiction for an order under 44A is required to follow the process set out in Schedule 9 to the Licensing Order (procedure for certain applications), including placing a notice of the application in local newspapers and display the notice on or near the premises.

#### **Section 4: Alignment of closing time for liquor and entertainment**

This section ensures that entertainment stops at the end of drinking-up time.<sup>2</sup>

Section 4 adds a new Article 44C in the Licensing Order (Alignment of closing time for liquor and entertainment) to ensure that the entertainment provided during later opening under Article 44, or further later opening under Article 44A, is not allowed to continue after the end of "drinking-up time". This ensures that entertainment must end

---

<sup>2</sup> If a licence holder wishes to continue entertainment beyond drinking-up time, any order for additional (or further) additional permitted hours is invalidated, and the sale of intoxicating liquor must cease at 11pm.

at the latest at 2.00am when an Article 44 order applies and 3.00am when an Article 44A order applies.

## **Section 5: Police authorisations for additional hours**

This section does two things;

- allows pubs which have an Article 44 order in place to apply to the police for ad-hoc late opening, up to 20 times per year; and
- increases the number of times smaller pubs, (which are not structurally adapted and therefore can't apply for an Article 44 order), can apply to the police for late opening from 20 to 104.

Article 45(1) of the Licensing Order (authorisations for additional permitted hours) is amended to allow police to authorise later opening (11.00pm- 1.00am), in pubs which have a court order for later opening under Article 44, on a day that is not covered in the Article 44 order.

These pubs can apply for the ad-hoc late nights up to 20 times in any year, and must continue to provide entertainment and or substantial refreshment on the ad-hoc nights granted by the police.

A new Article 45(2A) increases the number of authorisations to pubs not holding an order for later opening under Article 44 from 20 days to 104 days in any year. Multiple dates may be included in one application to the police.

A new Article 45(2B) provides the Department with a power to make regulations [subject to the approval of the NI Assembly] to change the number of days in which orders under Article 45(2) or (2A) may be made.

It is important to note that subsection (4) inserts new paragraphs (4) to (8) to Article 45 to require a licence holder applying for an authorisation under this Article, to display a notice of the application on or near the relevant premises during the three weeks before the first occasion to which the application relates.

A copy of the notice must also be served on the district council.

Furthermore, there is provision for complaints from the police, council or any person owning or residing in premises within the vicinity, to be made to the courts where undue inconvenience is caused to local residents as a result of a late night authorisation. Courts are given the power to revoke an authorisation, modify the hours of an authorisation, or make an authorisation subject to such terms and conditions as it thinks fit, including those requested by the district commander of the police of the district in which the premises are situated.

## **Section 6: Extension of “drinking-up time”**

This section increases drinking-up time from 30 minutes to 1 hour.

Section 6 amends Article 46 of the Licensing Order (Exceptions from prohibition of sale etc., of intoxicating liquor outside permitted hours).

Subsection (1) amends Article 46(1) which provides for the duration of the “drinking-up time” at the end of normal opening hours or later opening in licensed premises, substituting the current “30 minutes” with “60 minutes”.

Subsection (2) provides the Department with a power to make regulations to allow “drinking-up time” to revert to 30 minutes, subject to the approval of the NI Assembly

### **Section 8: Licensed race tracks: Sunday sales**

This section allows the sale of intoxicating liquor at licensed race tracks on a Sunday.

Section 8 amends Article 42 of the Licensing Order (General permitted hours) to permit “licensed race tracks”<sup>3</sup>, within the “place of public entertainment” category of premises which may be granted a liquor licence, to sell intoxicating liquor on Sundays (not including Christmas Day) from 30 minutes before the entertainment and 30 minutes after, between the hours of 12.30pm and 11.00pm.

### **Section 21: Minimum price for alcohol**

This section places a duty on the Department of Health to, within 3 years of whole of this Act coming into operation, bring forward to the Assembly, legislation introducing minimum pricing for the sale and supply of intoxicating liquor and to prohibit its sale or supply below that price.

It is expected this Act will come into operation in phases between 2021 and 2023.

### **Section 23: Independent review of licensing system including surrender principle**

This section places a duty on the Department for Communities to appoint an independent person, within one year of this Act receiving Royal Assent, to undertake a review of the licensing system.

Subsections (2) and (3) set out the areas to be covered by the review and stipulate that the appointed person must report and make recommendations within two years of their appointment.

Subsections (4), (5) and (6) require the Department to lay the report of the review before the Assembly, publish the report, and, within six months of publication, produce and publish an action plan to address the recommendations of the review report.

---

<sup>3</sup> As defined in Article 2 of the Licensing Order place of public entertainment (c) premises on a licensed track within the meaning of the [1985 NI 11.] Betting, Gaming, Lotteries and Amusements (Northern Ireland) Order 1985

Subsections (7) and (8) give the Department the power to modify by regulation the time periods by which the review and the Department's response must be completed, subject to the approval of the Assembly.

#### **Section 24: Annual publication of the number of licences**

This section requires the Department for Communities to publish an annual statement of the number of liquor licences in force for public houses and off-licences and any trends which may be observed from these numbers.

Licensed public houses are to be listed by district electoral area or, where feasible, by reference to smaller areas within each of those areas.

#### **Section 27: Removal of exemption for angostura bitters**

This section effectively includes angostura bitters, a product of high alcohol content which is used to flavour a wide variety of drinks and food, in the definition of intoxicating liquor. This means that they may only be sold in licensed premises, or in the licensed part of premises.

### **PART 2 - REGISTRATION OF CLUBS**

#### **Section 30: Removal of additional restrictions at Easter**

Easter weekend permitted hours now mirror what is available for any other weekend throughout the year.

Section 30 amends Article 24 (general permitted hours), Article 25 (consumption of liquor after permitted hours) and Article 26 (authorisations for special occasions) of the Clubs Order to remove all Easter restrictions.

This corresponds with changes made for licensed premises in Section 1 of the Act.

#### **Section 31: Removal of restrictions on late opening on Sunday**

This section brings the end of general and extended permitted hours on any Sunday into line with those permitted on any other day (11pm with general permitted hours, and 1am the following morning for special occasions).

Opening times on Sundays (12.30pm) and Christmas Day hours (12.30pm -10pm) remain the same.

Section 31 amends Article 24 of the Clubs Order (general permitted hours) and Article 26 (authorisations for special occasions) and removes the restrictions on late night permitted hours on a Sunday (currently restricted to 10pm and 12pm respectively) for registered clubs.

## **Section 32: Extension of “drinking-up time”**

This section increases drinking-up time from 30 minutes to 1 hour.

Section 32 amends Article 25 of the Clubs Order (consumption after permitted hours of liquor supplied during those hours) to create similar provisions for the duration of the “drinking-up time” in private members’ clubs to those set out in Section 6 of the Act in relation to licensed premises<sup>4</sup>.

## **Section 33: Increase in number of authorisations for special occasions**

This section increases the number of late nights a club can apply to the police for.

Section 33 amends Article 26 of the Clubs Order (authorisation for special occasions) to increase the number of authorisations which can be granted by the police to any club in any year from 85 to 104.

Subsection (2) inserts new paragraphs (2A) and (2B) to Article 25 to give the Department the power to modify by regulation, subject to Assembly approval, the number of authorisations which can be granted for the time specified.

It is important to note that subsection (3) inserts new paragraphs (5) to (9) to Article 26 to require a person applying for an authorisation under this Article, to display a notice of the application on or near the club premises for which the authorisation is sought during the three weeks before the first occasion to which the application relates.

A copy of the notice must also be served on the district council.

Furthermore, there is provision for complaints to be made from the police, council or any person owning or residing in premises within the vicinity, to the courts where undue inconvenience is caused to local residents as a result of a late night authorisation. Courts are given the power to revoke an authorisation, modify the hours of an authorisation, or make an authorisation subject to such terms and conditions as it thinks fit, including any which may be requested by the district commander of the police of the district in which the club premises are situated.

## **PART 3 - GENERAL**

### **Section 42: Guidance**

This section places a duty on the Department for Communities to produce and publish guidance on the effects of the licensing legislation and the registration of clubs legislation, the effects of the provisions of this Act and the practical implementation of Part 1, and any other matters it considers appropriate in relation to those issues.

---

<sup>4</sup> See page 7 of this guide for Section 6

## **Section 43: Review**

This section requires the Department for Communities to review and report on each of the provisions in Parts 1 and 2 of this legislation as soon as is practicable after the third anniversary of the commencement of that provision and thereafter, at least once in every five years. The Department is required to lay each of these reports before the Assembly, and must then publish the reports.

The Department has a power to make regulations to discontinue these requirements, but not from any date earlier than the tenth anniversary of the Act receiving Royal Assent. The regulations cannot come into operation unless and until approved by the Assembly.

## **SCHEDULES**

### **Schedule 1: Minor and consequential amendments**

Schedule 1 to the Act details the minor and consequential amendments to the Licensing Order and the Clubs Order contained within the Act.

Paragraph 19 of Schedule 1 introduces a new paragraph 13A to Schedule 1 of the Clubs Order (provisions to be included in rules of club) to clarify that the policy intent of paragraph 13 of that Schedule (day membership at sporting clubs) is to allow persons to use the facilities of the club on the day in question only if the person engages in sporting activities of the club on that day.
