**Call in - Flying of the Palestinian Flag to mark the  
UN Day of Solidarity with the Palestinian People**

The Lord Mayor stated that the Council had been provided with an equality screening, correspondence and the legal opinion of Ms. D. Kiley KC with regards to the decision of the Council at its meeting on 3rd November, 2025, under the heading "Human Rights Day 2025 - Flag Requests" contained within the minutes of the Strategic Policy and Resources Committee, in respect of the flying of the national flag of Palestine at City Hall on 29th November, 2025.

She explained that the call-in, under sections 41(1)(a) and (b) of the Local Government Act (NI) 2014 had been considered by Counsel to have merit on procedural grounds but not on the grounds of a disproportionate adverse impact on a section of inhabitants of the district.

She stated that, notwithstanding the current provisions in Standing Orders, the Local Government Act (NI) 2014 required the Council to reconsider its decision and determine whether there was a disproportionate adverse impact on a section of inhabitants of the district, having regard to the legal opinion received and any other relevant considerations.

**Proposal 1**

Moved by Councillor R. McLaughlin,  
Seconded by Councillor Murphy,

“That, having regard to the legal opinion and all other information received, the Council agrees that the flying of the Palestinian flag on Belfast City Hall did not have a disproportionate adverse community impact.”
