7	notice of Motion	09/04/2018	Childcare Strategy	Cllr O'Hara	Referred to SP&R	SP&R		John Tully	City & Organisational Strategy	Ongoing	A child care strategy that is for Belfast alone would not be operational and outside the remit of the Council. DfC have recently announced the development of a suite of Social Inclusion Strategies that aim to address barriers and inequalities in society and to fulfil the commitments in New Decade, New Approach (NDNA) and the Executive's Programme for Government (PfG). This remains a commitment in the Draft Programme for Governments Outcomes Framework 21. Due to COVID-19 the development of the Childcare Strategy has experienced delays. A strategic insight programme was carried out with a range of stakeholders in 2021, with further engagement to be planned to inform the direction of the regional childcare strategy. Subject to resources DfC intend to Commission an independent review of childcare services in NI. Officers are continuing to engage with Departments to ensure the regional strategy is taken forward and will continue this following the NI Assembly elections.

17	Notice of Motion	04/03/2019	Dog Friendly Properties	Cllr McDonough-Brown	Referred To SP&R	SP&R		J Walsh	Legal & Civic Services	Recommendation Close	To make all council properties 'dog friendly' would be a significant policy change with significant health and safety, hygiene, insurance and liability, and facility upgrade implications. Council's current policy is that we only allow guide/assisted dogs in to buildings that facilitate the public and to attend events. We have no written policy after that and as such can only say that we currently do not allow dogs that are not guide dogs into our facilities (both staff facilities and public facilities). There are significant Health and Safety implications to assess the risk that a dog may attack a member of staff or a member of the public. Council would be liable for any such attack if it took place on Council premises. Due to the close proximity of staff working and sharing offices there are no appropriate facilities to house dogs or any animal. At present, the 4 civic buildings do not have the facilities for members of the public and staff to bring animals into these facilities unless it is a guide dog. It is recommended this issue be closed and that the current policy in respect of guide dogs be continued. Should the need for any other dogs to be permitted in council properties (i.e. a Dog Event in a suitable location for commercial gains) then an individual risk assessment will be required to be undertaken.

34	Notice of Motion	04/11/2019	Unregulated Car Washes	Cllr Newton	Referred to SP&R	SP&R		J Walsh	Legal & Civic Services	Recommendation Close	<p>BCC have no responsibility for regulating or licensing hand car washes and valet services. Responsibility for Health and Safety at such car washes lies with the HSENI.</p> <p>The NI Environment Agency has responsibility for enforcing the requirements of the Water (Northern Ireland) Order 1999. It is an offence under the Water Order to discharge or deposit, whether knowingly or otherwise, any poisonous, noxious or polluting matter so that it enters a waterway or underground stratum. Officers in Legal Services have written to the NIEA requesting any available data on the number of unregulated car washes in Belfast. The NIEA have advised that in line with guidance they would recommend that vehicle washes are connected to the mains sewer where possible. They anticipate such a facility would be available in Belfast. Should a consent be the only solution, a suitable treatment system would be required. The NIEA currently don't have any Vehicle wash sites in Belfast, on their books which hold a consent to discharge.</p> <p>Further enquiries with the NIEA, HSENI and PSNI has not determined that the relevant data can be sourced from elsewhere. Recommend that the issue be closed.</p>
