1.0	Purpose of Report/Summary of Main Issues
1.1	The purpose of this report is to present to the Strategic Policy and Resources Committee, the Statement of Accounts of the Council, including the Annual Governance Statement, for the period ending 31 March 2022.
1.2	The Statement of Accounts are an important element of the council's overall corporate governance framework as they provide assurance to Members and ratepayers on the stewardship of the council's finances and its financial position.
1.3	The Statement of Accounts for the year ended 31 March 2022, which can be accessed from the Council website here , have been prepared in line with the Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 based on International Financial

	Reporting Standards and the Department for Communities Accounts Direction, Circular LG 02/22 dated 7th January, 2022 and 23rd March, 2022.
1.4	I can confirm that the Statement of Accounts for the year ended 31 March 2022 has been prepared in the form directed by the Department for Communities and in my opinion the Statement of Accounts give a true and fair view of the income and expenditure and cash flows for the financial year and the financial position as at the end of the financial year.

The meeting has now been reconvened for Wednesday 21st September, at which the Statement of Accounts will be discussed, any issues raised by the panel will be verbally reported to this Committee.</p>
