1.0	Purpose of Report or Summary of main Issues
1.1	This report provides a quarterly update on the Notices of Motion that the City Growth & Generation Committee is responsible for, in line with the agreement of the Strategic Policy & Resources (SP&R) Committee that all standing committees receive regular updates.
2.0	Recommendations
2.1	It is recommended that the Committee: <ul style="list-style-type: none">• Notes the updates to all Notices of Motion that this Committee is responsible for as referenced in Appendix 1; and• Agrees to the closure of 1 Notice of Motion, as referenced in Appendix 1 and noted in paragraph 3.5 below.

3.0	Main report
3.1	<p>At the SP&R Committee meeting on 25th October 2019, members agreed:</p> <p><i>“That this Council notes that other Councils produce a monthly status report in relation to Notices of Motion; and agrees Belfast City Council adopts a similar practice and produces a monthly Notice of Motion Update which will be brought to each full Council Meeting, detailing the following:</i></p> <ol style="list-style-type: none"> <i>1. Date received</i> <i>2. Notice of motion title</i> <i>3. Submitted by which Councillor</i> <i>4. Council meeting date</i> <i>5. Committee motion is referred to</i> <i>6. Outcome of committee where Notice of Motion will be debated</i> <i>7. Month it will be reported back to committee</i> <i>8. Other action to be taken.”</i>
3.2	<p>In February 2022, the committee received updates on 21 active Notices of Motion and Issues Raised in Advance for which City Growth & Regeneration were responsible. Members agreed to the closure of five Notices of Motion.</p>
3.3	<p><u>Notice of Motion Updates</u></p> <p>The Committee is asked to note that the progress of some motions is still impacted by current pressures and the nature of remote working. Status updates have been included for 8 ongoing notices of motion which remain open and the responsibility of the CG&R Committee.</p>
3.4	<p><u>Closure of Notices of Motion and Issues Raised in Advance</u></p> <p>At the SP&R Committee on 20th November 2020, members approved the arrangement for the future management of motions, which included making recommendations on which motions will be closed. It was subsequently agreed that Notices of Motion could be closed for one of two reasons:</p> <ul style="list-style-type: none"> • Category 1 – Notice of Motion contained an action that has been completed. <p>All Notices of Motion within this category contained a specific task that has since been complete. It is worth noting that, when Committee agree to action a Notice of Motion, there are sometimes additional actions agreed alongside the Motion. As these are not technically part of the Notice of Motion, they are taken forward through normal committee decision making processes. The Notice of Motion can therefore be closed, but additional actions related to it will continue to be progressed and reported to the committee.</p>

<p>3.5</p> <p>3.6</p> <p>3.7</p>	<ul style="list-style-type: none"> • Category 2 - Notice of Motion has become Council policy or absorbed into a strategic programme of work. <p>These Notices of Motion did not contain a specific task that could be complete but rather they are more strategic in nature and require changes in Council policy and/ or strategy for long term outcomes. Those listed within this category have all been agreed by Committee and are now either Council policy or are currently being implemented through a Council strategy that is managed by a Standing Committee through the corporate planning process.</p> <p>Committee are asked to agree that the following Notice of Motion is now closed:</p> <p>Category 1 Recommended Closures:</p> <p>A Bolder Vision Consultation (ID = 226) - Additional information is included at Appendix 1.</p> <p><u>Financial & Resource Implications</u></p> <p>There are no additional financial implications attached to this report. Finance and resource implications are considered by Committee when taking decisions on the specific Notices of Motion and Issues Raised by Members.</p> <p><u>Equality or Good Relations Implications/Rural Needs Assessment</u></p> <p>There are no equality, good relations or rural needs implications contained in this report.</p>
