

## **Belfast Bikes – Criteria for Site Expansion Matrix**

At CG&R in June 2021, members agreed to the below criteria contained within the Site Expansion Matrix, subject to ongoing staged Equality Screening:

- Employment Destinations
- Residential
- Public Transport
- Public Amenities
- Resident Requests
- Existing Usage at nearby stations
- Gaps in Network
- Survey Feedback
- Land that is either owned or managed by Belfast City Council or where express permission to situate a biking dock in already in place.

Additional information:

At CG&R in June 2021, members agreed to:

- Add Health inequalities
- Add both air pollution levels and access to car/van as per census data 2011/21 when available.

Cycle infrastructure was removed from the criteria following call-in in September 2021.
