Dear Ms Wylie

AMENDMENT TO THE FOOTWAY (PROHIBITION OF WAITING) ORDER

I am writing to inform you of our proposal to take forward the necessary legislation to amend the Footway (Prohibition of Waiting) Order.

Currently, in some areas, vehicles are parking on the footpath next to a bus stand which is causing issues for members of the public, not only those wishing to alight the bus but also pedestrians, particularly those with visual impairments who wish to walk along the footpath.

To resolve this, we propose amending the Footway (Prohibition of Waiting) Order to prohibit vehicles waiting on a footway adjacent to a bus stand. While we are amending it, we also propose to prohibit vehicles parking on a footway adjacent to the limits of any mandatory cycle lane or school keep clear, as delineated by markings on the carriageway at any time.

We would welcome any comments you may have on this proposal.

Yours sincerely

Rachel Owen
