

## Timeline of Committee decisions and engagement - November 2022

<b>P&amp;C Committee</b>	<b>3<sup>rd</sup> March 2020</b>	P&C agreement to commence consultation for opening of gate with immediate neighbours
<b>P&amp;C Committee</b>	<b>11<sup>th</sup> August 2020</b>	Members agree to conduct a site visit at request of Councillor De Faoite to meet with various user groups to discuss any relevant issues regarding the playing fields.
<b>Site Visit</b>	<b>3<sup>rd</sup> September 2020</b>	Members were advised at the site visit that a survey had been sent to 100 neighbours within the immediate vicinity requesting their views
<b>P&amp;C Committee</b>	<b>8<sup>th</sup> September 2020</b>	Councillor Kelly requested the survey be widened to incorporate additional residents. Following discussion, it was subsequently decided to extend the survey scope to a 400 metre radius (i.e. approximately within a 5 minute walk) from the gate.
<b>P&amp;C Committee</b>	<b>9<sup>th</sup> March 2021</b>	<p>Results of the survey presented to members. Members agree in principle to gate reopening, subject to DfI road crossing being installed.</p> <p>The Committee, in reviewing the findings, asked that in an attempt to address the <b>anti-social behaviour concerns</b>, that an assessment be carried out in consultation with adjacent residents who might be affected on the possible options to prevent anti-social behaviour including new lighting options, anti-graffiti paint and anti-climb paint and additional fencing.</p>
<b>ASB face to face Survey</b>	<b>May 2021</b>	61 were offered opportunity to engage in consultation. (18 responded and three dropped out). Subsequently face to face surveys took place with 15 residents. The results of this survey were included in the draft report December 2021 – this has not been re-submitted to P&C Committee.
<b>Most recent DfI engagement</b>	<b>November 2021</b>	The Department for Infrastructure had identified three potential options for a traffic light system on Knockbreda Road, and in a discussion between council officers and DfI officers in mid-November, DfI notified Council that final plans relating to the second option.
<b>EAWG</b>	<b>May 2022</b>	<p>Noted the update on engagement and requested a more comprehensive asb profile for the park to be provided.</p> <p>Agreed that, subject to committee approval, fencing should be installed before the gate is</p>

		opened. Agreed that further engagement with residents take place.
<b>P&amp;C Committee</b>	<b>22<sup>nd</sup> September 2022</b>	Results of the engagement surveys and site visits presented along with options for anti social behaviour mitigations and associated costs. Members noted the high costs associated with preventing asb in an area where asb levels are very low.
<b>Full Council</b>	<b>3<sup>rd</sup> October 2022</b>	Members agreed that further engagement should take place between residents and elected members from the Lisnasharragh DEA as a matter of urgency.
<b>Member and resident engagement meeting</b>	<b>21<sup>st</sup> October 2022</b>	Discussions took place with residents on the gate opening and asb mitigations.
<b>Member and resident engagement meeting</b>	<b>17<sup>th</sup> November 2022</b>	Discussions took place with residents on the gate opening and asb mitigations.
