The screening showed that there were potential adverse impacts on a number of groups including females and people with a disability and mitigating actions were added to the strategy. Members agreed that an equality screening be undertaken prior to a decision being made in relation to funding for 19/20. Officers have finalised this screening and the initial findings show that progress has been made in increasing the participation of underrepresented groups and this has been reported separately through the Strategic Policy and Resources Committee. The IABA continue to target underrepresented groups in its delivery of the 22/23 programme with particular focus on the events, club based sessions and the non-contact boxing programme.</p>
