3.0	Main report
3.1	The Council has been undertaking the Leisure Transformation Programme to renew its Leisure facilities across the City. This Programme has been influenced by the Partnership opportunities presented by the NI Executive Stadia Programme.

3.2	<p>The Council, Department for Communities (DfC) and the Irish Football Association (IFA) have recognised the opportunities presented by the Stadia Programme, have committed to work together to maximise these benefits and have agreed to establish a Stadium Community Benefits Initiative as part of the Belfast Community Benefits Initiative ('the Project') to implement and deliver agreed objectives including promoting equality, tackling poverty, and tackling social exclusion within the Belfast area.</p>
3.3	<p>In March 2016 the Council, DfC and IFA signed an agreement which sets out their respective commitments to the project. As other major stadia are developed in Belfast, it is anticipated that other sports governing bodies shall become parties to the agreement. At its April 2018 meeting People and Communities committee agreed that Council would work with the Gaelic Athletic Association (GAA) within the Stadia Community Benefits Initiative and recognised their significant planned investment in Gaelic Games in the city to support their Gaelfast strategy. GAA activities became fully incorporated into the action plan at the start of financial year 2019-2020, with Gaelfast staff imbedded into the governance structure at the Delivery Board and the Policy and Performance Group.</p>
3.4	<p>The agreement is for a period of ten years with financial commitment from Council and IFA in place to the end of March 2026. Delivery is managed through monthly meetings of the Delivery Board, which reports quarterly to the Policy and Performance Board. Financial and performance reports will be presented to Council and other partners' Boards as necessary.</p>
3.5	<p>The Policy & Performance Group is responsible for agreeing the Benefits Realisation Plan and associated annual targets. Work was undertaken to ensure the end benefits/outcomes are aligned to partners' strategies. To measure the progress of this the Council and the IFA have developed a range of indicators/intermediate benefits which are monitored through programme delivery:</p> <ul style="list-style-type: none"> a.
