There will be no speakers on such Notices of Motion at Council.</i></li> <li data-bbox="387 846 1514 947">(o) <i>The Standards and Business Committee will refer Notices of Motion for consideration by full Council when the Notice of Motion relates to a strategic or constitutional matter.</i></li> <li data-bbox="387 969 1514 1037">(p) <i>The Standards and Business Committee will not have the power to amend the wording of any Notice of Motion that is being referred to the full Council for debate.</i></li> <li data-bbox="387 1059 1514 1160">(q) <i>Any amendments to Notice of Motions to be proposed at the Council are to be furnished at least one day in advance of going to the full Council and will be circulated to Party Group Leaders in advance of the Council meeting.</i></li> <li data-bbox="387 1182 1514 1328">(r) <i>In referring any matter to the full Council, the Standards and Business Committee may determine to restrict contributions to the debate in relation to any Notice of Motion to one per political party. At the Council meeting, the Lord Mayor will clearly indicate if the restriction applies.</i></li> </ul> <p data-bbox="204 1361 844 1395">3.2 The following motion has been received:</p> <p data-bbox="316 1429 667 1462"><b><u>CPR Training and Circuit</u></b></p> <p data-bbox="316 1496 1514 1563">“This Council notes that cardiac arrest is the ultimate medical emergency, occurring when someone’s heart stops pumping blood around the body and they stop breathing normally.</p> <p data-bbox="316 1597 1514 1664">Early cardiopulmonary resuscitation (CPR) and a defibrillator shock are vital to a person’s chances of surviving a cardiac arrest.</p> <p data-bbox="316 1697 1514 1765">In the North of Ireland, there are around 1,400 cardiac arrests each year which take place outside of hospital. Less than one in ten survive to be discharged from hospital.</p> <p data-bbox="316 1798 1514 1865">This Council recognises that survival rates are higher in places where more people are trained to perform CPR and are willing to intervene.</p> <p data-bbox="316 1899 1514 2000">This Council commends the work of the British Heart Foundation in providing schools and communities with the resources to learn CPR. Their campaigning work has resulted in CPR training now being a compulsory element of our school curriculum for Key Stage 3 pupils.</p>

	<p>The Belfast Agenda envisions a Belfast where everyone fulfils their potential. Empowering young people with the skills to become lifesavers encourages confidence and adds to children’s belief that they can make a difference to society.</p> <p>Early defibrillation is another crucial part of the chain of survival when a cardiac arrest happens. Many defibrillators never get used because emergency services don’t know where they are or how to access them - this can cost lives. This is why registering all defibrillators on The Circuit is so vital as it could mean the difference between life and death.</p> <p>We propose that this Council moves to ensure that all defibrillators located on council property are registered on The Circuit, that they are accessible to the public 24/7 and they are emergency ready.</p> <p>We also move to ensure that any future funding for defibrillators provided by the Council includes strict criteria that the funded defibrillator must be registered on The Circuit.</p> <p>Additionally, we propose that this Council takes our lead from our young people and supports the provision of mandatory CPR training for all councillors and council staff. We also commit to raise awareness through all our available channels and platforms and encourage all citizens to avail of CPR training.”</p> <p>Proposer: Councillor Black</p> <p>Seconder: Councillor &lt;&gt;</p>
3.3	<p>The motion will be referred to the Strategic Policy and Resources Committee as it calls upon the Council for a commitment to expenditure at its assets and Member capacity building, to register its defibrillators with the circuit and to support the provision of mandatory CPR training for Councillors and staff.</p>
