3.0	<b>Main report</b>
3.1	<p>Members will be aware that at a meeting of City Growth and Regeneration Committee in February 2022, members agreed to open a new funding scheme for artist led organisations to provide financial and development support for this sector. In April 2023, members agreed to continue this support for the second consecutive year and £100,000 has been allocated to support Artist Studios &amp; Makers Spaces in 23/24.</p>
3.29	<p><b>Background and context</b></p> <p>The ten-year cultural strategy for Belfast, <i>A City Imagining</i>, committed to a broader investment model that considered the diversity of the city’s cultural landscape. In response to detailed consultation with the sector, Committee agreed in February 2022 to bring forward a specific funding programme for studios and artist-led organisations, with the latest audit identifying 17 studios/ artist-led organisations in Belfast directly supporting an estimated 450 artists. This in part is due to the value of artist-led spaces not being effectively captured through traditional metrics such as income generated through ticket sales or audience figures and it was agreed that an alternative form of funding would be developed for artist-led spaces. Belfast City Council’s current support programmes do not include any of these organisations as annual or multi-annual clients.</p>
3.30	<p>In addition to the funding for artist studios, members agreed a strategic review of artist studios and maker-spaces in Belfast. This research study, which is exploring the current and future requirements of artist workspaces in Belfast, is led by Turley Communications. As the first analysis of needs and demand across all creative artforms, this research involves extensive consultation with the sector, benchmarking and policy recommendations. To ensure alignment with other statutory partners, council officials have been working closely with the Arts Council NI in the development of this review. It is envisaged that the scope of this work will inform a set of robust action focused recommendations that could be implemented on a phased basis and this report will be presented to members in Autumn 2023.</p>
3.31	<p><b>Organisational funding</b></p> <p>The “<i>Artist Studios and Maker Spaces Organisational Grants 2023/24</i>” programme was opened on 9<sup>th</sup> June 2023 and closed on 27<sup>th</sup> June 2023. The purpose of this strand of work is to provide financial and developmental support to organisations similar to the support offered under cultural multi-annual grants (CMAG).</p>

3.32	<p>The Artist Studios and Maker Spaces Organisational Grants 2023/24 scheme was advertised widely. The information and application details were emailed directly to a GDPR compliant mailing list representing over 370 organisations from across the cultural and creative sectors alongside associated social media marketing. An online information session was held in advance of the deadline, as well as organisations availing of one to one support sessions with the Culture Development team.</p>
