1.0	Purpose of Report/Summary of Main Issues
1.1	The purpose of this report is to provide Members with an updated Schedule of Planning Committee Workshops (see Appendix 1). The Planning Committee is asked to agree the updated programme.
2.0	Recommendation
2.1	That the Planning Committee agrees the updated Schedule of Planning Committee Workshops at Appendix 1 for the period October 2023 to September 2024.
3.0	Main Report
3.1	For the last three years, the Planning Committee has agreed a schedule of Planning Committee Workshops to support Members' continuous development, to work with officers on a number of projects and be briefed on a number of matters (schedules have been agreed in December 2020, September 2021 and June 2022).
3.2	Many of the planned workshops have taken place over the last three years, although a number of have been postponed or cancelled or the workshops have been used to consider additional Committee business that couldn't be accommodated on the normal Tuesday meetings.
3.3	In setting a forward programme for Committee Workshops, a number of approaches have been made to Committee Members and officers regarding the content of workshops and requests have been made to address the Committee. In addition, a number of suggestions for further workshops have emerged from members of the Planning Committee in considering Committee business.
3.4	Based on the issues identified, a proposed schedule of workshops for the remaining months in 2023 and for 2024 is set out in Appendix 1 . The workshops scheduled for 2023/24 may need to be fluid to allow for adaptation and for additional committee sessions to be held if they are considered necessary. The Draft Schedule included in Appendix 1 is therefore indicative and the programme will be confirmed on a month-by-month basis.
3.5	<u>Financial and Resource Implications</u> The preparation of the workshops, including attendance by officers, will have some impact on resources, but is considered value for money. Where appropriate, the Planning Service may choose to appoint outside professionals or agencies to lead or participate, which may result in additional costs.
3.6	<u>Equality or Good Relations Implications/Rural Needs Assessment</u> There are no equality or good relations implications associated with this report.
