Findings - Residential

- Cross tenure focus and actions
- Consider emissions, people, health, resilience
- Potential cross tenure pilot retrofit projects
- LAEP data role

Findings - Public

- Face UK targets without funding or support
- Creative approaches to finance & technology
- Explore LAEP data potential
- Joint event with commercial sector

Findings - Commercial

- Risk of stranded assets
- City strategy required
- Govt policy & data essential

Next Steps

- Feed findings into UP2030
- Further explore potential of LAEP data
- Develop and roll out actions
- Elected member training
