<b>1.0</b>	<b>Purpose of Report/Summary of Main Issues</b>
1.1	The purpose of this report is to update Committee on arrangements for a waste workshop on 5 <sup>th</sup> March 2025 to which it is proposed that all elected members will be invited.
<b>2.0</b>	<b>Recommendation</b>
2.1	Committee are asked to note the information outlined in this report.
<b>3.0</b>	<b>Main Report</b>
3.1	Members will recall that a Resources and Fleet report was presented to the December 2024 meeting of People and Communities Committee which outlined updates on a number of key projects and areas of work.
3.2	Further to discussion of the report, it was agreed to support, in principle, the proposal to develop and introduce a Waste Access and Acceptance Policy for Household Waste Recycling Centres, subject to the hosting of a workshop to examine a full range of options for this proposal in conjunction with other relevant agencies, bodies and local authorities to be determined.
3.3	Following review of the potential content and format of the workshop, officers considered that it would be beneficial for an internal workshop in the first instance to allow for an increased understanding of Members' views on the proposed Waste Access and Acceptance Policy, and to allow for officers to work through potential solutions in advance of inviting the views of external agencies.
3.4	Officers will present relevant background, context and performance information, outline recent challenges and pressures, seek views on potential solutions and agree the next steps ahead of the external workshop.
3.5	It is therefore proposed that this internal workshop takes place on Wednesday 5 <sup>th</sup> March 2025 at 5.15pm. If agreed, invitations will be issued by Democratic Services in due course.
