265	23/08/2022	<a href="#">Drink Spike Testing Kits in Licensed Premises</a>	Cllr Murray	Notice of Motion - referred to Licensing Committee	Kate Bentley	Following the activity in relation to this NoM over the previous year (eg the workshops, the distribution of drink testing kits and the awareness raising campaigns including the development of an information factsheet on drink spiking resources for licensees and venues); the Director of Planning and Building Control will consider the future approach to this NoM in line with other related NoMs and council activity in this area.
373	20/03/2024	<a href="#">Airbnb Accommodation</a>	Cllr McKeown	Issue Raised in Advance (Licensing)	Kate Bentley	<p><b><u>Recommended to Close (Category 1)</u></b></p> <p>Since last year's NoM update report, further correspondence was sent to both DfE and Tourism NI to reiterate the need for legislation and highlight the impact and concerns raised by the Committee, and request that the Council was involved in the review that had been outlined in the correspondence. DfE and TNI responded to the Committee, and these were shared with Members at the <a href="#">November meeting</a>. Both responses made reference to engagement with Council through the Development Plan Working Group scheduled to take place in December 2024 and this meeting was attended by the Acting Planning Manager (Plans and Policy).</p> <p>Tourism NI have undertaken a review of the role of the certification of visitor accommodation. TNI are continuing to review the future regulation and classification of the visitor accommodation sector as noted with the <a href="#">TNI 25-26 Operating Plan</a>, including consulting on certification categories and a pilot of the new visitor experience grading scheme. Any changes which are considered following the review will require new or amended primary legislation which will take time.</p> <p>.</p>
