Carolyn, a chara,

## **TRANSLINK FARES**

Thank you for your letter dated 10 September 2025 seeking consideration of a scheme to reduce Translink fares over the Christmas period.

There are currently no plans to introduce festive fares on Translink services. However, as public realm work continues around Grand Central Station, I have instructed my officials to advance a number of traffic measures to keep Belfast moving, particularly in the run-up to the busy festive period.

A Communications Strategy has also been developed to help inform the public of the various measures being taken and to promote alternatives to private car use across the north.

Is mise le meas,

**LIZ KIMMINS MLA**
