<b>2.0</b>	<b>Recommendations</b>											
2.1	<p>Taking into account the information presented Committee is asked to hear from the Applicant and make a decision to either:</p> <ul style="list-style-type: none"> <li>(i) Grant the application, with or without any special conditions; or</li> <li>(ii) Refuse the application.</li> </ul> <p><b><u>Notice of proposed decision</u></b></p>											
2.2	<p>On the 10 December 2025, pursuant to Paragraph 9 of Schedule 2 of the Houses in Multiple Occupation Act (Northern Ireland) 2016 ("the 2016 Act"), officers issued a Notice of Proposed Decision. <b>Appendix 2</b></p>											
<b>3.0</b>	<b>Particulars of the application</b>											
	<p><b><u>Background</u></b></p> <p>3.1 The property had the benefit of an HMO licence issued by the Council with a start date of 20 January 2021 and an expiry date of the 20 January 2026 in the name of Mr. Sam Shepherd</p> <p>3.2 The ownership of the property transferred to Remark Group Ltd with an assignment date of the 28 June 2023. Mr. Sam Shephard is a director of the Remark Group Ltd.</p> <p>3.3 In accordance with Section 28 "Change of ownership: effect on licence" of the 2016 Act the licence in the name of Mr. Sam Shephard ceased to have effect on the date of transfer.</p> <p>3.4 An application for a new HMO licence was received from Remark Group Ltd on the 30 September 2025</p> <p>3.5 The property was inspected on the 17 October 2025 at which time it was vacant.</p>											

	<p><b><u>Key Issues</u></b></p> <p>3.6 Pursuant to the 2016 Act, the Council may only grant a licence if it is satisfied that:</p> <ul style="list-style-type: none"> <li>a) the occupation of the living accommodation as an HMO would not constitute a breach of planning control;</li> <li>b) the owner, and any managing agent of it, are fit and proper persons;</li> <li>c) the proposed management arrangements are satisfactory;</li> <li>d) the granting of the licence will not result in overprovision of HMOs in the locality;</li> <li>e) the living accommodation is fit for human habitation and— <ul style="list-style-type: none"> <li>(i) is suitable for occupation as an HMO by the number of persons to be specified in the licence, or</li> <li>(ii) can be made so suitable by including conditions in the licence.</li> </ul> </li> </ul>
	<p><b><u>Planning</u></b></p> <p>3.7 As this is a new application the Council's Planning Service was consulted. It confirmed that a Certificate of Lawful Existing Use or Development ("CLEUD") was granted on 24 June 2021 with the planning reference LA04/2021/1250/LDE.</p>
	<p><b><u>Fitness</u></b></p> <p>3.8 When considering the fitness of an applicant the Council must have regard to any offences concerning fraud/ dishonesty, violence, drugs, human trafficking, firearms, sexual offences, unlawful discrimination in, or in connection with, the carrying on of any business; or any provision of the law relating to housing or of landlord and tenant law. It also permits the Council to take into account any other matter which the council considers to be relevant.</p>
3.9	<p>The NIHMO Unit has consulted with the following units within the Council's City and Neighbourhood Services Department –</p> <ul style="list-style-type: none"> <li>(a) Environmental Protection Unit ("EPU") - who have confirmed that in relation to night-time noise there has been no relevant enforcement action required in respect of the HMO in the last 5 years,</li> <li>(b) Environmental Protection Unit ("EPU") - who have confirmed that in relation to day-time noise there has been no relevant enforcement action required in respect of the HMO in the last 5 years,</li> <li>(c) Public Health and Housing Unit ("PHHU") - who have confirmed that in relation to rubbish accumulation/filthy premises, there has been no relevant enforcement action required in respect of the HMO in the last 5 years,</li> <li>(d) Enforcement Unit ("EU") - who have confirmed that in relation to litter and waste, there has been no relevant enforcement action required in respect of the HMO in the last 5 years,</li> </ul>
3.10	The EPU, PHHU and EU, solely in respect of their statutory functions, have confirmed that there are no relevant, previous convictions in respect of the Applicant, Managing Agent or occupants.
3.11	Officers are not aware of any other issues relevant to the fitness of the applicant or manager

	<b><u>Overprovision</u></b>
3.12	For the purpose of Section 12(2) of the 2016 Act. The Council has determined the locality of the accommodation, <b>65 Tates Avenue, Belfast, Antrim, BT9 7BY</b> as being Housing Management Areas (HMA) “HMA 2/08 Edinburgh St” as defined in the document Belfast City Council’s Local Development Plan Strategy “2023 Strategy” which was formally adopted on the 2 May 2023.
3.13	Legal Services has advised that there is a clear requirement in section 8 of the 2016 Act upon the Council to be satisfied that the granting of a licence will not result in overprovision.
3.14	In making this decision the Council has had regard to: <ul style="list-style-type: none"> <li>(a) the number and capacity of licensed HMOs in the locality</li> <li>(b) the need for housing accommodation in the locality and the extent to which HMO accommodation is required to meet that need.</li> </ul>
3.15	To inform the Council in its consideration of the above provisions, the Council has taken account of the 2023 Strategy given that <i>“Nurturing sustainable and balanced communities is a fundamental aim of the LDP’s housing policies.”</i> <p>In particular, the Council has considered Policy HOU10:-</p>
3.16	HOU10 states – <i>“Within designated HMAs, planning permission will only be granted for Houses in Multiple Occupation (HMOs) and/or flats/apartments where the total number of HMOs and flats/apartments combined would not as a result exceed 20% of all dwelling units within an HMA.”</i> <p><b>(a) The number and capacity of licensed HMOs in the locality</b></p>
3.17	On the date of assessment, 25 November 2025, 48% of all dwelling units in policy area HMA 2/08 Edinburgh St was made up of HMOs and (intensive forms of accommodation) flats/apartments, which in turn exceeds the 20% development limit as set out at Policy HOU10. There are 175 (27%) licensed HMOs with a capacity of 650 persons in HMA 2/08 Edinburgh Street. <p><b>(b) The need for housing accommodation in the locality and the extent to which HMO accommodation is required to meet that need.</b></p>
3.18	The total number of dwelling units in a HMA is measured by Ordnance Survey’s Pointer database. There are a total of 650 dwelling units in HMA 2/08 Edinburgh St.
3.19	On 25 November 2025 out of 103 premises available for rent within the BT9 area on the website propertyNews.com there were 23 licensed HMOs which from the information presented on the website represented 105 bed spaces. The HMO accommodation was available immediately.
3.20	The fact that the use of the property as an HMO is permitted for planning purposes is a relevant consideration in determining whether the grant of this licence will result in overprovision.
3.21	The Council recognises that there is a need for intensive forms of housing and to meet this demand, HMOs are an important component of this housing provision. HMOs, alongside other accommodation options within the private rented sector, play an important role in meeting the

	<p>housing needs of people who are single, who have temporary employment, students, low-income households and, more recently, migrant workers.</p>
3.22	<p>In September 2017 the Housing Executive published the document “Housing Market Analysis Update – Belfast City Council Area” which states “HMOs form an important element of the PRS, particularly for younger people on low incomes and for single people, under the age of 35, affected by the limitation of housing benefit to the shared room rate. Anecdotal evidence also indicates that this has been a popular sector with migrant workers.”</p> <p><b>Students moving out of HMO accommodation.</b></p>
3.23	<p>On the 7 December 2022 Ulster University Director of Campus Life told members of the Council’s City Growth and Regeneration Committee that there was an “increase in competition for HMO’s particularly from NIHE, Immigration Services and statutory agencies and there were increasing accommodation issues across the housing sector which required a holistic view and should include the consideration of international students, families and graduates looking for professional accommodation.”</p>
3.24	<p>However, QUB Director of Student Plus confirmed to members that the current trend indicated a significant move of students to purpose-built student accommodation blocks. She told members that there were 7,000 purpose built managed student accommodation (PBMSA) rooms in the city – the majority built since 2018 and approximately 5,000 in the city centre.</p>
3.25	<p>November 2025 monitoring information produced by the Council’s Planning Services for PBMSA indicates that 6306 bedspaces have been completed since September 2016, a further 2806 bedspaces are currently under construction, with a further 3263 bedspaces having received planning approval but have not commenced the construction phase.</p>
3.26	<p>With the continued expansion of the PBMSA sector and students transitioning from private rentals to PBMSAs, it is too early to tell whether the increased competition from non-students for HMOs is a temporary problem (which can be managed by the contraction in students residing in existing HMO accommodation within the locality) or evidence of an emerging long-term supply issue.</p>
	<p><b>Section 8(2)(d) of the 2016 Act</b></p>
3.27	<p>In assessing the number and capacity of licensed HMOs as well as the need for HMO accommodation in the locality, officers cannot be satisfied that the granting of the HMO licence will not result in overprovision of HMO accommodation in the locality of the accommodation for the purpose of section 8(2)(d) of the 2016 Act.</p>
	<p><b><u>Objections</u></b></p>
3.28	<p>No objections were received in relation to this application.</p>
	<p><b><u>Attendance</u></b></p>
3.29	<p>The owners of the HMO and/or their representatives will be available to discuss any matters relating to the licence application should they arise during your meeting.</p>
	<p><b><u>Suitability of the premises</u></b></p>
3.30	<p>The accommodation was inspected on the 30 October 2025 at which time it complied with the physical standards for a 5 persons HMO.</p>

	<p><b><u>Notice of proposed decision</u></b></p> <p>3.31 On the 10 December 2025, pursuant to Paragraph 9 of Schedule 2 of the Houses in Multiple Occupation Act (Northern Ireland) 2016, Officers issued a Notice of Proposed Decision to the Applicant setting out the terms of the proposed licence. <b>Appendix 2</b> The Notice of Proposed Decision stated that the Council proposed to refuse the licence on the grounds of overprovision. A statement of reasons for the proposal was included in the Notice of Proposed Decision.</p>
	<p><b><u>Applicant's response</u></b></p> <p>3.32 On the 24 December 2025 the applicant emailed the office in response to the issue of the Notice of Proposed Decision indicating that he opposed the decision and wished to appear before the committee to make oral representations. <b>Appendix 3</b></p>
