**Revenue Estimates and District Rate 2026/27**

(Mr. T. Wallace, Director of Finance, attended in connection with this item).

The Committee considered a report in relation to the establishment of the District Rate and the compilation of the Estimates of Revenue Expenditure for the year 2026/2027.

The Director of Finance explained that the decision should not be subject to call-in on the basis that an inability to immediately implement the decision would result in a breach of statutory duty in striking the rate by the legislative deadline of 15th February, 2026.

He reported the cash limit for the Planning Committee for 2026/27 as recommended by the Strategic Policy and Resources Committee at its meeting on 6th February, 2026 and outlined the next steps in the rate setting process leading to the setting of the rate by Council at its meeting in February 2026.

Following consideration, the Committee noted the next steps in the rate setting process and:

- agreed a cash limit for the Planning Committee for 2026/27 of £2,965,419 and the individual service cash limits; and
- agreed that the decision would not be subject to call-in, on the basis that an inability to immediately implement the decision would result in a breach of statutory duty in striking the rate by the legislative deadline of 15th February, 2026.

**Standing Order 14 - Submission of Minutes**

In accordance with Standing Order 14, the Committee agreed that, as the meeting had been held later than seven clear days before the meeting of the Council, the minutes of the meeting be submitted to the Council on 9th February, 2026, for ratification.
