<b>2.0</b>	<b>Recommendations</b>
2.1	<p>Members are asked to:</p> <ul style="list-style-type: none"> <li>• Note the update on the pending ballot for the third term of the Belfast One BID (Business Improvement District)</li> <li>• Agree to receive a presentation from the BID at the May meeting of this Committee in order to enable officers to submit the Council votes in the ballot ahead of the ballot opening in July and closing 1<sup>st</sup> September 2026</li> </ul>
<b>3.0</b>	<b>Main Report</b>
3.1	Members will be aware that there are three Business Improvement Districts (BIDs) in Belfast city centre: BID One which covers the main retail core and runs from the City Hall down to the junction of Royal Avenue and North Street; Linen Quarter which covers the office district to the north the City Hall including the new Transport Hub and Destination CQ which covers the Cathedral Quarter including the Ulster University campus
3.2	A BID is a defined district where organisations collectively invest in projects, services and events that will benefit that area. Destination CQ BID is an independent, not-for-profit company that works on behalf of its levy payers to support, develop and promote Belfast city centre. It focuses on delivering programmes that enhance safety, cleanliness, business support and the overall vibrancy of the area.
3.3	Under government legislation, all BIDs operate on a five-year term. At the end of each term, a ballot must take place in order for the BID to continue its work. The ballot for the third term of BID One will open in July 2026 and all votes must be submitted by 1 September 2026.
3.4	<p>Belfast City Council has a number of properties within the BID boundary including Belfast Stories and the Assembly Rooms. The BID area contains around 700 units that are eligible for votes. Each property must pay an annual mandatory BID levy – depending on the NAV (Net Annual Value) of the property. Belfast City Council is responsible (by legislation) for issuing the levy bills (the cost of this service is covered by the BID).</p> <p>In order for the proposal to be successful at ballot, the result will need to meet, as a minimum, three independent criteria, namely:</p>

	<p>1. There must be more yes votes than no votes (volume)</p> <p>2. Total rateable value of yes votes must exceed total rateable value of no votes (value)</p> <p>3. The turnout of ballot papers returned must be no less than 25% of the eligible rate payers entitled to vote in the ballot <i>and</i> total no less than 25% of the eligible rateable value.</p>
	<p>Destination CQ BID works closely with the council on a range of issues related to safety, cleanliness and vibrancy in the city centre. The team and the Board are also represented on a number of city centre forums and working groups and, given their mandate, represent a strong conduit for engagement with city centre businesses operating in this geographical area. They have produced a business plan for the five year term and this proposes focusing resources on three main pillars of work, namely:</p> <ul style="list-style-type: none"> <li>• Business Support</li> <li>• Safer, Cleaner, Greener</li> <li>• Promotion &amp; animation</li> </ul>
	<p>The draft business plan notes that the BID is likely to generate circa £0.5 million annually through its levy collection and it will use these resources to deliver projects on behalf of levy payers within these agreed priority areas for action. Details of planned activities will be shared by the team at the upcoming meeting.</p>
<b>4.0</b>	<b>Financial and Resource Implications</b>
	<p>Belfast City Council will be liable for levy payments relating to its properties and assets located within the BID boundary.</p>
<b>5.0</b>	<b>Equality or Good Relations Implications / Rural Needs Assessment</b>
	<p>No specific equality or good relations implications. The Destination CQ designated boundary has been approved by DfC. Visitor insights demonstrate that the city centre is accessed by visitors from all parts of Northern Ireland and beyond.</p>
