

**Northern Ireland
Assembly
Committee for Infrastructure**

27 April 2026

Dear Sir/Madam,

Review of Planning: Call for Evidence

The Committee for Infrastructure is carrying out a review into planning decisions for Regionally Significant Projects, including the impact of Judicial Reviews on major capital projects. The Committee would like to:

- Hear your views on the effectiveness and timeliness of planning decisions for Regionally Significant Projects;
- Hear your views on Judicial Reviews of planning decisions on major capital projects;
- Hear your views on how planning decisions for Regionally Significant Projects can be improved.

I would be grateful that you send any response you may have, including a nil response, to me by 5 May 2025.

You are also invited to a stakeholder event to present your views. This will take place on Tuesday 5 May at Parliament Buildings, 4pm-6pm.

Please let me or Committee staff know you can attend.

Yours sincerely,
