1.0	Purpose of Report or Summary of Main Issues
1.1	To provide an update on Major planning applications and applications that have been determined by the Planning Committee.

2.0	Recommendation
2.1	The report is for notation.
3.0	Main Report
	<u>Background</u>
3.1	The Committee received an update on Planning Performance at its meeting on the 27 th August 2024. At that meeting and previously, the Committee sought a regular update on Major applications and applications that have been determined by the Planning Committee, especially those where a Decision Notice has yet to be issued.
3.2	All Major applications must be determined by the Planning Committee. The Key Performance Indicator (given in weeks) is calculated from when an application is considered to be valid to when the Decision Notice ("Green Form") is issued. This means that any delays either pre- or post- committee will impact on the KPI. The target for determining a Major application is 30 weeks.
	<u>Major applications</u>
3.3	Appendix 1 sets out the Major applications that are currently with the Council to determine. Details are given on the location, proposal, the validation date and target date for determination (using the 30 week target set out in the Key Performance Indicator) as well as a status update.
	<u>Applications determined by Committee</u>
3.4	Appendix 2 sets out the applications that have been determined by Committee since February 2022 which are yet to issue. For completeness information is also given on those applications determined by Committee which have had their Decision Notice issued. Details are given on the time taken (in weeks) to bring the applications before Committee and where decisions are yet to be issued, information is given relating to the main reason for the delay.
3.5	Following further discussion at the Strategic Policy and Resources Committee in May 2025, this table has now been amended to include a new non statutory target date and to give more detailed reasons for any delays in determination.
	<u>Conclusion</u>
3.6	This report will be brought to each Planning Committee and to each Strategic Policy and Resources Committee for information on an ongoing basis.
