<b>3.0</b>	<b>Main report</b>
3.1	<u>Key Issues</u>
3.1.1	Transport NI (formerly known as DRD Roads Service) historically made twice yearly presentations to special meetings of the former Town Planning Committee, to which all Members were invited.
3.1.2	It is now considered that Transport NI should instead present to a special meeting of the City Growth and Regeneration Committee biannually.
3.1.3	The Committee might also wish to invite Translink to present and to answer Members' questions at the same special meeting in order to get a rounded picture of transport across the City.
3.1.4	The meetings with TransportNI (Roads Service) were considered to be useful and allowed Members to raise a number of issues with the statutory agency directly.

3.2	<u>Financial &amp; Resource Implications</u> None.
3.3	<u>Equality or Good Relations Implications</u> None.
