Chief Executive
Belfast City Council
City Hall
BELFAST BT1 5GS

Dear Peter

At a recent meeting of the Castlereagh Borough Council/Lisburn City Council Transition (CBC/LCC) Committee held on 20 May 2009, members gave consideration to a meeting of Councils within the Greater Belfast area to discuss wider infrastructure and marketing issues on a sub-regional basis.

Following discussion, I was requested to write to you to ask that this matter be considered by your respective Transition Committees, with a view to benefiting this sub region of Northern Ireland on matters of mutual interest and gain.

When your Transition Committees have given consideration to these matters, I would appreciate your response so that the members of the CBC/LCC Transition Committee can be advised.

Yours sincerely

E T J CAMPBELL
Acting Chief Executive
