Introduction

The City Growth and Regeneration Committee is responsible for the development and implementation of strategies, policies, programmes and projects directed towards regeneration and growth of the city in the context of outcomes agreed in the community and corporate plans and other corporate strategy decisions. Its specific functions include:

- Setting the overall strategic direction for the Council in the areas of cultural and economic regeneration and growth
- Influencing and contributing to regional regeneration and growth strategies and activities
- Developing and implementing city-wide economic strategies and policies
- Managing and maximising the impact of major physical developments in the city
- Coordinating and promoting major city wide events
- Considering draft financial estimates for the Committee together with such statements, reports and recommendations as required
- Monitoring quarterly performance and financial reports and year end reports
- Approving all revenue purchases of works, goods or services relevant to this Committee which exceed or are likely to exceed the statutory amount (currently £30,000) and subject to tender
- Monitoring reports on matters that are of direct relevance to the responsibility of this Committee
- Sourcing and providing support to attract and utilise European and other grants which contribute to the growth of the city
- Providing support for economic development initiatives
- Supporting the development of culture, heritage and the arts
- Working with other agencies to promote Belfast as a key investment and tourism opportunity
- Developing programmes and actions to support local businesses and attract inward investment
- Managing Council owned properties including the maintenance and repair of Council buildings, properties and vehicles
- Managing the Council's markets and maximising their benefit to the city
- Influencing and contributing to strategies and policies affecting skills, employability, transportation and energy in the City
- Considering Year end and mid-year review of key corporate risks
- Exercising the Council's functions in relation to:
 - Economic Development

- Urban Development
- Tourism
- Culture and Arts
- European and International Relations
- Car parks
- Waterfront and Ulster Halls
- City Markets
- City Events
- Belfast Castle

About our services

People, money, assets, grants, partnerships and key programmes

Assets and venues

There are 6 main areas:

- Car Parks
- Waterfront & Ulster Halls
- City Markets
- Belfast Castle
- Malone House
- Belfast Zoo

Responsibilities:

The management and enforcement of off-street car parks transferred from the Department for Regional Development (DRD). DRD remain responsible for on-street parking, Park & Ride and Park & Share car parks. The majority of parking in the city remains under private operator control. It was considered that there was insufficient time for the councils to establish new contractual arrangements for the provision of car parking services before the 1st April 2015 and it was therefore agreed that DRD would continue to provide services to councils for the enforcement and servicing of the off-street car parks until the existing DRD contracts with NSL break in October 2016.

To prepare for the extension of the Waterfront Hall's conference facilities.

To secure and host an annual programme of entertainment events at the Waterfront

and Ulster Halls. To secure and host business conferences at the Waterfront Hall.

To provide a venue for major events within the city e.g. University Graduation ceremonies, hosting elements of the World Police and Fire Games.

Community outreach activity including educational workshops, guided tours and small arts events.

Home to the Ulster Orchestra.

Managing and promoting a 3 day market at St George's and a 6 day market in Smithfield to support business growth and city promotion.

Supporting and overseeing the development of markets across the city.

Key programmes

Management of the NSL Parking Enforcement contract.

Development of a City Parking Strategy.

Management of 30 off-street car parks (2,200 spaces). 15 within the city centre (1,300 spaces).

Management of the Waterfront facilities including: main Auditorium, Studio, 14 meeting rooms, gallery space, a gift shop, plus restaurant and two bars.

Management of the Ulster Hall including: the

Grand Hall, Group Space, meeting rooms, a cafe and the world-famous Mulholland Grand Organ.

Entertainment events at the venues have included:

- Dame Kiri Te Kanawa.
- Robbie Williams.
- Britain's Got Talent.

World Irish Dance Championships.

Business conferences at the venues have included:

British Oculoplastic Surgery Society.

Women in Business Conference.

AGM of Irish League of Credit Unions.

World Seed Congress

Other events at the venues have included:

- Barack Obama's speech in 2013.
- University Graduation ceremonies.
- International Game of Thrones Exhibition.
- International dame of Thrones Exhibition
- Gala Dinners.

Promotion and management of the two city markets and the Continental Markets.

Continuing the improvement activity with St George's and Smithfield to drive increased footfall.

Belfast Zoo and the Waterfront will jointly be hosting the 2016 European Association of Zoos and Aquaria (EAZA) with approximately 800 delegates attending.
