### Site Visits – Deferred Applications

Further to its decision of 18th October, the Committee convened at 12:30 pm at the City Hall for the purpose of undertaking site visit in respect of planning application LA04/2016/1644/F - Development of a Three Storey Building, Housing 5 One Bed Apartments with 6 Parking Spaces - 1 Stockman's Way.

The Chairperson reminded the Members, given the issues which had been raised regarding safety, traffic, outlook and the quality of amenity space of the proposal, the Committee had agreed to defer consideration of the application to enable a site visit to be undertaken to allow the Committee to acquaint itself with the location and the proposal at first hand.

The Committee noted that the application would be reconsidered in due course.

The site visit concluded at 13.30pm.

Noted.
