Dear Philip,

Re: Proposed 480 MW CCGT Gas Fired Power Station and Gas Pipeline at Airport Road West Belfast

In accordance with Section 27 (2) of the Planning Act (Northern Ireland) 2011 (the Act) I am writing to give notice to the Department that an application for full planning permission for the abovementioned development is to be submitted.

In accordance with the provisions of Section 27 (4) of the Act and regulation 4 of the Planning (Development Management) Regulations (Northern Ireland) 2015 (referred to as the DM Regulations) the following information is included:

- Proposal of Application Notice Form PAN1 which gives:
 - a description in general terms of the development to be carried out;
 - a description of the location of the proposed development referenced to known addresses where possible;
 - details as to how the prospective applicant may be contacted and corresponded with;
- a plan showing the outline of the site at which the development is to be carried out and sufficient to identify that site;
- a copy of the notice served by the Department under section 26(4) of the Act confirming that the proposed development is considered regionally significant;
- A Pre-Application Community Consultation Plan which gives an account of what consultation the prospective applicant proposes to undertake, when such consultation is to take place, with whom and what form it will take.

I trust the above enclosures are sufficient to allow you to review and if necessary provide feedback on the proposed community consultation exercise. Meanwhile, should you require any further information to that supplied above please do not hesitate to contact me directly at this office.

Yours sincerely,

Ryan McBirney
