Site Visit

Further to its decision of 16th May, the Committee convened at 1:00 pm at the City Hall for the purpose of undertaking site visit in respect of LA04/2016/0051/F residential building consisting of six apartments at 82 Eglantine Avenue.

The Chairperson reminded the Members, given the issues which had been raised regarding the reason for refusal, the Committee had agreed to defer consideration of the application in order to undertake a site visit to allow the Committee to acquaint itself with the location and the proposal at first hand and that additional information on reflective glazing had also been requested.

The Committee noted that the application would be reconsidered in due course.

The site visit concluded at 1.45pm.

Noted.
