Dear Sir/Madam,

RE: Extinguishment of Public Rights-of-Way at: Mountpottinger Road, Belfast, Order No. 1, 2016; Annalee Court, Belfast, Order No. 1, 2016; Hopewell Crescent, Belfast, Order No. 1, 2016; Bandon Court, Belfast, Order No. 1, 2016

The Northern Ireland Housing Executive made an Order on 13th February 2017 that certain Public Rights-of-Way within the undernoted areas to be extinguished. Approval for these extinguishments is at present being sought from the Department for Communities, Causeway Exchange, 1-7 Bedford Street, Belfast BT2 7EG.

The Extinguishment of Public Rights-of-Way at each of the areas listed above is explained as follows:

- Mountpottinger Road is required to facilitate a transfer of land for residential development, as approved by the NIHE on the 2nd June 2016.
- Annalee Court has been requested by the Department of Infrastructure. The former houses have been demolished and the area has now been grassed over; and so no longer serves pedestrian or vehicle
- Hopewell Crescent (specifically adjacent to No.55) has been requested to eliminate a risk to public safety due to vandals removing metal railings. This would allow the NIHE to fill up the void and remove the risk.
- Bandon Court requested by Housing Services to provide front gardens for 12 and 14 Bandon Court, in order to prevent anti-social behaviour; thus providing a defensible space with a fence around it.

See enclosed a map for each of the areas listed above, which shows the area to be extinguished highlighted in red. The Press Notice regarding the Making of the Order is also enclosed.

If you wish to make any comments, could you please send them to me by the 22nd Sept**Bno**er 2017. I will write to you again to let you know the results of this submission.

Yours sincerely,

Orla Murphy
