

SOUTH BELFAST
PARTNERSHIP BOARD

3rd November 2017

Suzanne Wylie
Chief Executive
Belfast City Council
Donegall Square

Dear Suzanne,

South Belfast Partnership Board has recently reviewed and updated its Strategic Plan and governance structure.

We have been advised that our Board membership is too large for the organisational budget. At our last Board meeting, it was agreed to reduce director membership from a structure of 8, 8, 4 (Community, Political and Private sector respectively), to 5, 5, 5.

Could I please request that Council revisits the membership of elected representatives on my Board and reviews membership as appropriate.

Best wishes,

Yours sincerely,
