It states that the demolition of an unlisted building in a conservation area will normally only be permitted where the building makes no material contribution to the character or appearance of the area. It further states that where conservation area consent is granted</p>

	<p>this will normally be conditioned on prior agreement for the redevelopment of the site and appropriate arrangements for recording the building before its demolition.</p> <p>The property proposed for demolition does not make a material contribution to the character or appearance of the area and detracts from the adjacent listed building at No's. 41-51 Royal Avenue. The removal of the property is set within the context of planning application reference LA04/2017/2126/F in which the property will be replaced by a section of a new public street (New Street) and the addition of a 5 storey block turning the corner of Royal Avenue into New Street. The proposed 'New Street' will result in increased city centre permeability and connectivity in providing a link-route from Royal Avenue through to North Street. The new building proposed has been assessed in the context of application LA04/2017/2126/F and is considered acceptable.</p> <p>It is not considered that the proposed demolition will negatively impact on the Conservation Area or the setting of the listed buildings.</p>
5.2	<p>Having regard to the policy context and other considerations above, the proposal is considered acceptable. Planning permission is recommended subject to conditions.</p>
6.0	<p>Summary of Recommendation: Grant Consent subject to condition.</p>
7.0	<p>Condition</p> <p>1. In accordance with Section 105 of the Planning Act (NI) 2011, the building shall not be demolished until a contract for the redevelopment of the site in accordance with the detailed proposals under application reference LA04/2017/2126/F has been agreed, and evidence of that contract submitted to and approved in writing by the Council.</p> <p>Reason: To ensure the implementation of a satisfactory replacement scheme in the interests of the Belfast City Centre Conservation Area.</p>
