## SBNI Mission, Vision and Values

### SBNI Mission:

**Our mission is to safeguard and promote the welfare of children and young people by working together in partnership to prevent and protect them from risk and harm.**

**Question 1:** Do you agree that our mission clearly states the purpose of the SBNI?

Yes  No

**Question 2:** If no, what would you have expected to see included?

(Limited to 150 words)

**Belfast City Council welcomes the publication of the draft SBNI strategic plan 2018-2022 and agrees that the strategic objectives that have been identified will contribute to the overall mission of safeguarding children and young people and preventing them from harm. Council's recognises that all organisations need to work together to achieve this goal and is committed to playing our part in safeguarding.**

**The SBNI objectives align closely with Council's Belfast Agenda, our community plan for Belfast until 2035. Council is committed to making life better for all our residents and in particular supporting and caring for our children and young people. We look forward to playing our part in contributing to achieving the SBNI vision for children and young people.**

### SBNI Vision:

**Our vision is that all children and young people are seen, heard and protected in order that they grow up in safety, thrive and fulfil their potential**

**Question 3:** Do you agree that our vision clearly sets out what we are trying to achieve?

Yes  No

**Question 4:** If no, what would you have expected to see included?

(Limited to 150 words)

In addition to ensuring that children and young people are seen and heard the vision should also commit to acting upon the views of children and young people and supporting their participation in the delivery of the SBNI plan. Where it isn't possible to act on the views of children and young people there should be a commitment to feedback how their views were included or the reasons why they weren't.

It would be useful if the vision included a sentence on SBNI's commitment to families as well.

**SBNI Values:**

**We listen to children and young people, their wishes, feelings and experiences and place them at the heart of what we do.**

**We work in partnership to safeguard and promote the welfare of children and young people.**

**We develop, empower, respect and value those who work for us as we strive for excellence in what we do.**

**We are open, honest and transparent in our dealings with children and young people, our members, partners and staff and we respect diversity and promote equality in all that we do.**

**We are all accountable to one another and to those we safeguard and protect.**

**Question 5:** Do you agree that our values meet your expectation of a modern safeguarding public service for children and young people?

Yes  No

**Question 6:** If no, what would you have expected to see that is not reflected in our values?

(Limited to 150 words)

Subject to the caveat at question 4

## Strategic Priorities

### Strategic Priority 1: To provide leadership and set direction in the safeguarding and protection of children and young people.

1.1 To disseminate and facilitate the embedding of the 2017 Regional Core Child Protection Policies and Procedures to protect and safeguard children and young people to ensure greater consistency and standardisation of practice.

1.2 To develop, disseminate and facilitate the embedding of the 2018 Regional Practice Guidance of the 2017 Regional Core Child Protection Policies and Procedures to ensure greater consistency and standardisation of practice in order to protect and safeguard children and young people.

1.3 To raise awareness of child protection and safeguarding issues by developing an engagement and communication strategy to ensure that children, young people, families and communities are more aware of these issues and how to get help if concerned.

1.4 To ensure the SBNI Safeguarding Panels engage with children and young people, parents and practitioners to hear their views on the child protection and safeguarding system in order to improve practice.

**Question 7:** Do you agree that Strategic Priority 1 and its aims are correct for the SBNI?

Yes  No

**Question 8:** If no, what changes to this priority and/or its aims would you make?

(Limited to 150 words)

**Strategic Priority 2: To provide a voice to children and young people affected by domestic and sexual violence and abuse.**

2.1 To work with government departments and their agencies to prevent domestic and sexual violence and abuse (DSVA) from occurring and to tackle child sexual exploitation.

2.2 To work with partners engaged in the DSVA arena to raise awareness among parents/carers and professionals of the effect of DSVA on children and young people.

2.3 To work with partners engaged in the DSVA arena to promote training for children and young people in how to recognise, respond and seek help in relation to DSVA.

**Question 9:** Do you agree that Strategic Priority 2 and its aims are correct for the SBNI?

Yes  No

**Question 10:** If no, what changes to this priority and/or its aims would you make?

(Limited to 150 words)

2.2 needs to be expanded to ensure that parents/carers and professionals know how to recognise, respond and seek help in relation to DSVA.

**Strategic Priority 3: To improve outcomes for children and young people affected or potentially affected by neglect through promoting the early recognition and improvement of agency responses.**

3.1 To promote early intervention with the aim of preventing children and young people experiencing neglect.

3.2 To increase awareness of neglect with children and young people, their parents/carers and staff.

3.3 Through the Safeguarding Panels ensure the views of children and young people, parents/carers and staff inform practice in relation to neglect.

3.4 To work with partner agencies to provide training in how to improve the recognition, assessment, and responses to children, young people and families experiencing neglect.

**Question 11:** Do you agree that Strategic Priority 3 and its aims are correct for the SBNI?

Yes  No

**Question 12:** If no, what changes to this priority and/or its aims would you make?

(Limited to 150 words)

**Strategic Priority 4: To provide a voice to children and young people affected by mental health issues.**

4.1 To work with government departments and agencies to reduce the incidence of those affected by mental health issues.

4.2 To work with partners to raise awareness among parents/carers and professionals of the effect of poor mental health on children and young people.

4.3 To work with partners to promote awareness for children and young people in how to recognise, respond and seek help in relation to mental health.

4.4 To work with partners to promote training in how to improve the recognition, assessment, and responses to children, young people and families experiencing the impact of mental health issues.

**Question 13:** Do you agree that Strategic Priority 4 and its aims are correct for the SBNI?

Yes  No

**Question 14:** If no, what changes to this priority and/or its aims would you make?

(Limited to 150 words)

Strategic Priority 4 relates to providing a voice to children and young people affected by mental health issues. In order to achieve this priority it will be important to include an additional action to ensure that the voices of children and young people are heard and acted upon. It would be hoped that their experiences either of mental health issues directly or having a parent with mental health problems will help to inform and shape the work under this priority.

Belfast City Council's Youth Forum ( a representative group of young people aged 13 to 18 years from across Belfast) are currently working with the Children's Law centre on the issue of mental health and have launched an online survey for young people across Northern Ireland. It would be helpful if the findings of this survey could be used to further inform SBNI's commitment to provide a voice to children and young people affected by mental health issues.

**Question 15:** Are there any other strategic priorities and/or aims that the SBNI should adopt?

(Limited to 150 words)

The issue of children and young people being subject to community beatings or shootings remains an issue in many parts of Northern Ireland. It is the view of Belfast City Council that these assaults on children are a form of physical abuse. Belfast City Council would welcome an acknowledgement by the SBNI of this issue and a commitment to address this issue with partners as part of the new strategic plan.

**Other:**

**Question 16:** Is our draft strategic plan easy to understand?

Yes  No

**Question 17:** If no, what can be done to make it easier to understand?

(Limited to 150 words)

Although the plan is written in a format that is easy to understand those people with literacy difficulties or who have English as a second language may have difficulties understanding the content. It would be very useful to have an easy read version for children and young people. This version would also meet the needs of the groups mentioned above.

**Question 18:** Do you think that there is anything missing from our plan?

Yes  No

**Question 19:** If Yes, please state what you think is missing.

(Limited to 150 words)
