PLANNING COMMITTEE SITE VISIT – NOTE OF MEETING

Members Present: Councillor Lyons (Chairperson);
Councillors Armitage, Carson,
Garrett and Johnston.

Officers in Attendance: Ms. K. Mills, Ms. C. O’Kane
and Ms. E. McGoldrick.

Site Visit

Further to its decision of 13th March, the Committee convened at 12:00 pm at the City Hall for the purpose of undertaking site visit in respect of the following planning applications:

- LA04/2016/0564/F - Additional waste types, and the installation of a metal shredder and associated conveyor belt systems at Avenue Recycling, 1 Advantage Way, Ballygomartin Road; and
- LA04/2016/0563/F - Variation of conditions 3 and 7 of planning permission Z/2005/2312/F to allow for external unloading, transfer and storage of waste and increase to opening hours, additional 2 hours per day.

The Chairperson reminded the Members, given the issues which had been raised regarding the increase in opening hours, the type of waste to be processed, potential noise disturbance, licenses required and the enforcement of the planning conditions, that the Committee had agreed to defer consideration of the application to enable a site visit to be undertaken.

Due to Health and Safety reasons, the staff of the Avenue Recycling directed Members around the site during the visit, however, did not enter into discussion with the Members present in relation to the planning application.

The Committee noted that the application would be reconsidered in due course.

The site visit concluded at 1.20 pm.

Noted.

Chairperson
