	<u>Key Issues</u>
3.1	At the meeting of the Council on 1st May, the following motion, which was proposed by Councillor Collins and seconded by Alderman Browne, was, in accordance with Standing Order 13(f), referred to the Committee for consideration:

	<p><i>"This Council notes that on 7th April, 2018 hundreds of leisure workers and their supporters marched along the Falls and Shankill roads to highlight concerns about job losses. The Council also notes the trade union demonstration today, which called for the protection of our leisure services and raised the demand to bring leisure services back fully under Belfast City Council control. The Council recognises that since the outsourcing of leisure services some years ago serious concerns have emerged about the running of leisure in Belfast. The Council is opposed to any job losses, erosion of workers terms and conditions or price hikes as part of the leisure transformation programme. The Council tasks the Chief Executive and the officer team to explore the options in relation to the future provision of leisure services, including the feasibility of bringing the service back under council control at some time in the future."</i></p>
3.2	<p>Members should note that a SP&R workshop, involving the Trade Unions was held on 16th May. The outcomes of this workshop will be presented to the committee verbally.</p>
