

## **Appendix Two - Staff Vaping at Work Survey Findings**

The consultation ran from 3<sup>rd</sup> August – 31<sup>st</sup> August 2018. Council computer users accessed the survey through a Citizen Space survey promoted and accessed from Interlink. Hard copy surveys and return boxes were located at the main Council depots for staff who did not have computer access.

**If you were in support of allowing vaping in Council buildings or vehicles but with some restrictions, which of these potential restrictions do you agree or disagree with?**

**Would you have any concerns about vaping in your presence?**
