Dear Sir/Madam

Re: **FORMER HANNAHSTOWN HILL/GLEN ROAD, BELFAST**

Enclosed for your information is a formal notice advising that the Northern Ireland Housing Executive has submitted an Application for a Vesting Order for the above area to the Department for Communities.

Objections to Vesting Application

The enclosed Notice gives details as to how objections to the vesting application should be lodged, together with the closing date for receipt. Reasons for objecting should be stated.

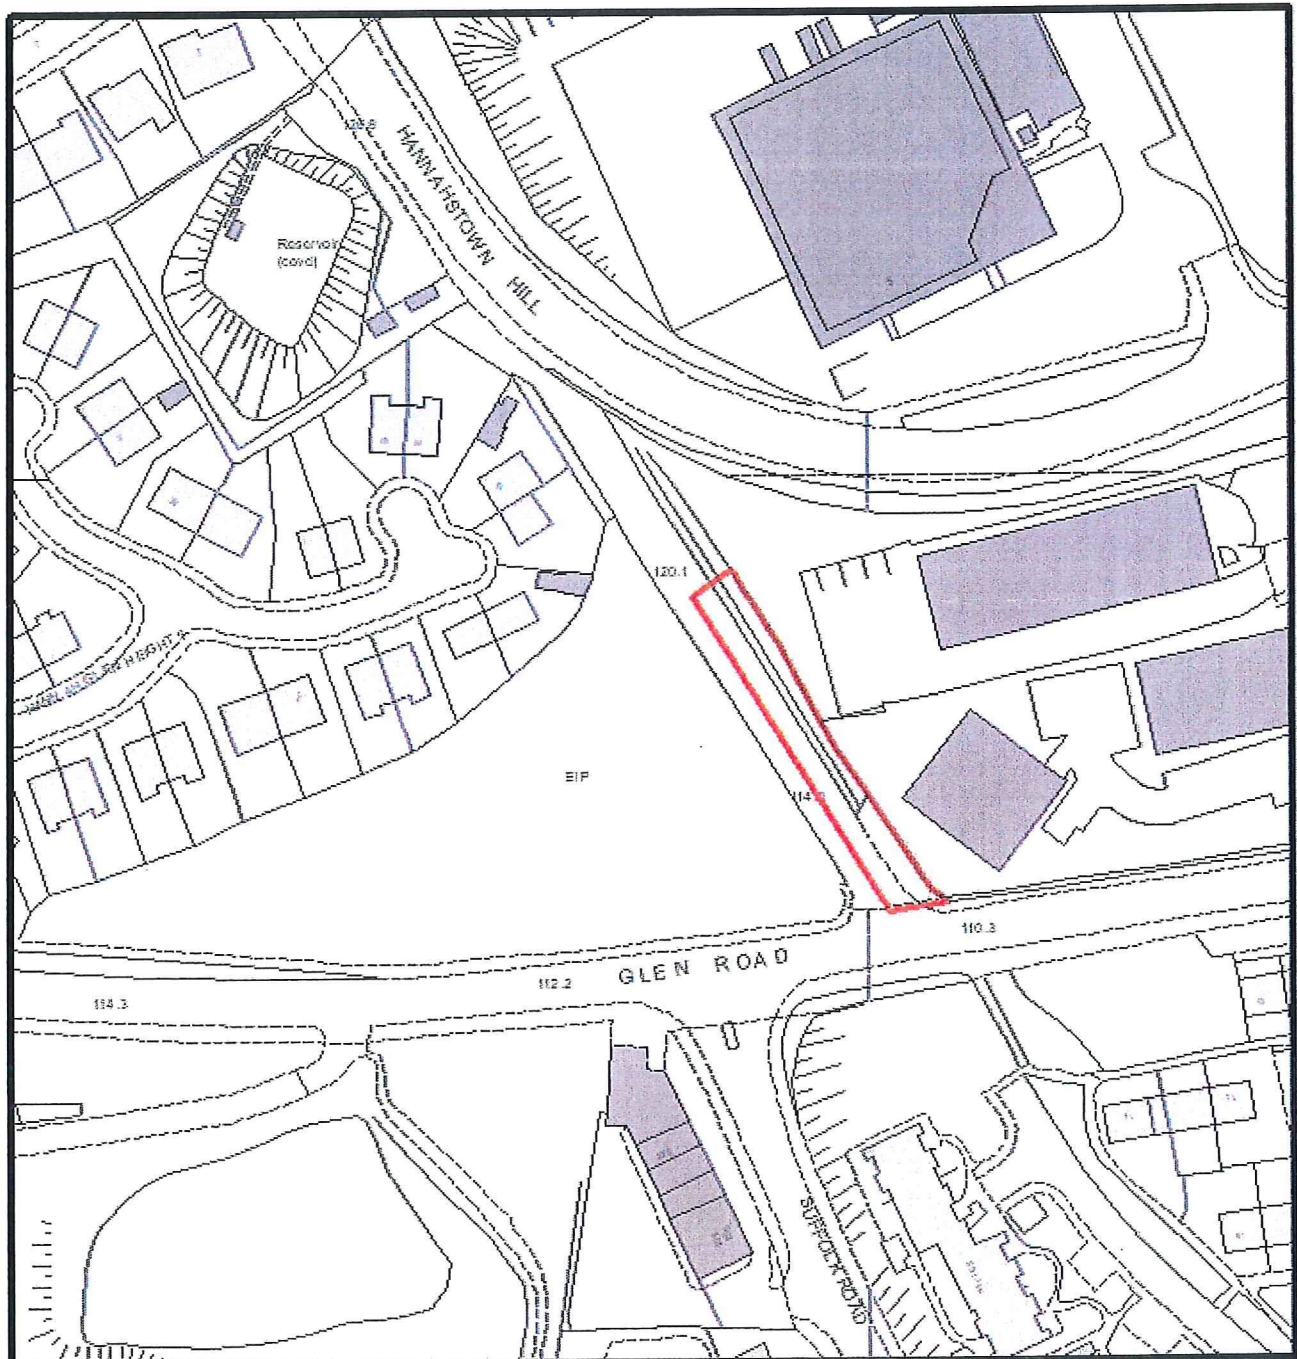

Objections relating solely to individual amounts of compensation are not normally within the scope of a vesting inquiry. A separate appeal process is available after vesting to those who feel the compensation offer is insufficient.

If objections are received and not resolved, the Department for Communities may decide to hold a Local Public Inquiry. At the Inquiry both the objectors and the Housing Executive will have the opportunity to present their case to an independent inspector who will report back to the Department.

Making of the Vesting Order

If no objections are received or if the Public Inquiry has been held, the Department for Communities will decide if the vesting order should be made with or without amendment.

The Housing Executive will write to you at this stage and the Vesting Order will become operative approximately one month after that.
