<b>3.0</b>	<b>Main Report</b>
3.1	<b><u>Key Issues</u></b> The following motion regarding Street Furniture, which was proposed by Councillor Boyle, and seconded by Councillor Dudgeon, was presented to the Council at its meeting on 4th February:

3.2	<p>“This Council recognises that it is difficult to contact those responsible for the maintenance of street furniture, utility boxes, phone boxes and masts, post boxes, advertising facilities and any other structure that sits on or in the footpath or in a public place throughout the City.</p>
3.3	<p>The Council supports the need for people to be able to contact those responsible for the cleaning and maintaining of these structures. Accordingly, the Council will undertake a piece of work to identify whose ownership these are in and will encourage those responsible for maintaining and cleaning same to put their details on these structures and ensure their details remain on these structures so that they can be contacted when needed. Furthermore, the Council agrees that any future planning approvals for street furniture, boxes etc. as listed above, will include a condition requiring the contact details of those responsible for cleaning and maintaining and servicing them to be prominently displayed.”</p>
3.4	<p>In accordance with Standing Order 13(f), the Motion was referred without discussion to the Planning Committee.</p>
