Dear Ms Wylie

Over the years you have assisted the Mary Peters Trust (we are a charity administered voluntarily by Directors) by providing encouragement and financial support. We invest our capital and the interest is distributed in the form of sporting awards to upcoming athletes.

In the year 2018 the Trust disbursed over £80k to 200 young people representing 50 sports. Awards were made to the following recipients who reside in your area (please see overleaf)

We are seeking your support to help maintain our capital base to ensure the level and value of awards continues to grow. We need the support of Local Authorities, commercial organisations and voluntary bodies in order to help achieve this target. A number of fundraising events are also being organised.

We ask you to forward this letter to the relevant Council Committee and respectfully request they join in our work of helping young people achieve excellence in sport, by making a contribution for the financial year 1 April 2019 to 31 March 2020.

Best wishes and many thanks for your continued support.

Dame Mary Peters CH DBE RNR  
President
