Committee Application

Development Management Report			
Application ID: LA04/2019/2386/F	Date of Committee: 12th November 2019		
Proposal: Installation of 8 projector units to create an interactive lighting installation along ground floor facades (Temporary 2 years)	Location: Discount store (77 Castle Street) Kids store (79-81 Castle Street) Castle Hoarding (83-87 Castle Street) castle Rugs (89 Castle Street) Castle Home Trends (103-105 Castle Street) Old Oven Bakery (90 Castle Street) Belfast		
Referral Route: Application made by Belfast City Council			
Recommendation:	Approval		
Applicant Name and Address: Belfast City Council 9-21 Adelaide Street Belfast BT2 8DJ	Agent Name and Address: Belfast City Council 9-21 Adelaide Street Belfast BT2 8DJ		

Executive Summary:

Planning Permission is sought for the installation of 8 projector units to create an interactive lighting installation along ground floor facades for a temporary period of 2 years. This forms part of a citywide lighting strategy undertaken by Belfast City Council to create more welcoming, vibrant and safer places.

The key issues in the assessment of the proposed development include:

- Impact on character and appearance of the area including Belfast City Centre Conservation Area
- Impact on amenity
- Impact on highway safety

The application site lies within the development limits for Belfast. The site is located within Belfast City Centre Conservation Area. Overall, the proposal would enhance the character and appearance of the area including the City Centre Conservation Area and would not be detrimental to the amenity of neighbouring properties or harmful to highway safety.

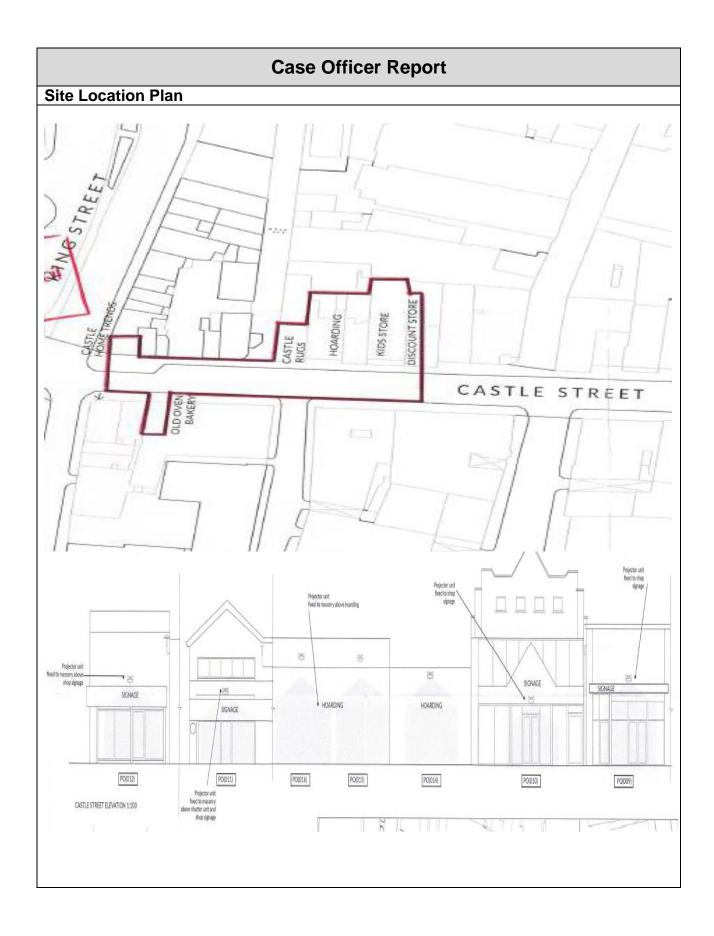

The application has been neighbour notified and advertised in the local press, no comments have been received to date.

Whilst consultation responses from DFI Roads and BCC Environmental Health are outstanding, it is considered that there are no issues of principle and any technical matters can be dealt with via conditions.

The proposal has been assessed against and is considered to comply with the SPPS, BUAP, Draft BMAP, PPS3 and PPS6. Having regard to the policy context and other material considerations, the proposal is considered acceptable and planning permission is recommended for approval for a temporary period of two years.

Recommendation – Approve subject to conditions

It is requested that the committee delegate authority to the Director of Planning and Building Control to grant conditional planning permission and to finalise the wording of conditions subject to no objection from DFI Roads and BCC Environmental Health.

Characteristics of the Site and Area

1.0 Description of Proposed Development

The application is for the installation of 8 projector units to act as an interactive lighting installation along the shop facades of Castle Street. The application is to install 8 projectors onto 77, 79-81, 83-87, 89, 90 and 103-105 Castle Street, Belfast for a temporary period of 2 years. The visual content will be projected onto the shutters of the 6 selected shops. The projector units will be attached to the building facades and fixed to masonry above shop signage. The content will be abstract visual content programmed with local Belfast artists.

The proposal is a medium term lighting intervention to improve and enhance the lighting and dressing of Castle Street in the short term whilst also piloting new creative forms of lighting intervention for the city.

2.0 Description of Site and Area

The site is located along the commercial avenue of Castle Street, Belfast and includes:

- 77 Castle Street. Discount Store (Occupied retail unit)
- 79-81 Castle Street. Kids Store (Occupied retail unit)
- 83-87 Castle Street. Castle Hoarding (Currently unoccupied)
- 89 Castle Street. Castle Rugs (Occupied retail unit)
- 90 Castle Street. Old Oven Bakery (Occupied restaurant)
- 103-105 Castle Street. Castle Home Trends (Occupied retail).

The site is within the development limit of Belfast as designated in both the BUAP and draft BMAP. The site also falls within the City Centre Conservation Area.

	BMAP. In	e site also falls within the City Centre Conservation Area.

6.0	Non-Statutory Consultees Responses
6.1	BCC Environmental Health – outstanding
7.0	Representations
7.1	The application was neighbour notified on the 23rd October 2019. It was advertised in the local press on the 25 th October 2019. The consultation period does not expire until the 8 th November 2019. No representations have been received to date. Any further representations received will be reported as an update to committee.
8.0	Other Material Considerations
8.1	Belfast City Centre Conservation Area Design Guide Section 104 of the Planning Act (Northern Ireland) 2011
9.0	Assessment
9.1	The proposal is not considered to be in compliance with the development plan.
9.2	The key issues in the assessment of the proposed development include: Impact on the character and appearance of the surrounding area including Belfast City Centre Conservation Area Impact on amenity Impact on highway safety
9.3	Impact on the character and appearance of the area including Belfast City Centre Conservation Area The scale, form, materials and detailing of the projector units respect the adjoining buildings. At present Castle Street suffers from a deadening effect of shop closures and a lack of lighting and activity when businesses close for the evening. The proposed interactive lighting installation would enhance the appearance of the street at night, making it safer and more attractive for pedestrians. Overall the proposal complies with PPS6, the SPPS and Section 104 of the Planning Act (Northern Ireland) 201 in that it would enhance the character and appearance of the area including the City Centre Conservation Area.
9.4	Amenity Given the commercial nature of the street, low-level lighting, the subtle changes of colour and motions and light being restricted to the shop fronts with limited light spill and no glare, there will be no detrimental impact on the amenity of the adjoining properties in accordance with the SPPS. Whilst there is an outstanding consultation response from Environmental Health, it is considered that the proposal presents no issues of principle and any technical matters can be adequately dealt with via conditions.
9.5	Impact on highway safety The projections will be illuminated in a discreet and subtle manner projecting directly onto the shutters so as to not interfere with vehicular or pedestrian traffic. The projections do not block or impair views of road signs and do not obstruct required sight lines. As such, there will be no negative impact on highway safety and the proposal would comply with PPS3 and the SPPS in this regard. The consultation response from DFI Roads remains outstanding, however it is considered that the proposal presents no in principle concerns and any technical matters can be dealt with via conditions.
10.0	Summary of Recommendation: Having regard to the policy context and other material considerations, it is concluded that the proposal is considered acceptable. It is requested that the committee delegate authority to the Director of Planning and Building Control to grant conditional planning permission subject to no objection from consultees.

11.0 | Conditions

1. The development hereby permitted shall be begun before the expiration of 5 years from the date of this permission.

Reason: As required by Section 61 of the Planning Act (Northern Ireland) 2011.

2. The approval is temporary for a period of 24 months from the date of installation. The projector must be removed and the site reverted to its previous condition after this period.

Reason: Temporary permission.
