

## **Public Awareness Campaign on the Responsible use of Fireworks**

- to actively promote a public awareness campaign on the responsible use of fireworks – including specific information on the legal consequence of misuse; the impact of fireworks on vulnerable people and animal welfare; and precautions that can be taken to mitigate risks.
- to write to the UK Government urging them to introduce legislation to limit the maximum noise level of fireworks to 90dB for those sold to the public for private displays
- to encourage local suppliers of fireworks to stock ‘quieter’ fireworks for public display.
