Dear Nigel

PARKING ISSUES IN PARTS OF BELFAST

Thank you for your letter of 31 October and for the concerns you have flagged about persistent poor parking and the implications for waste collection services.

I have asked Conor Loughrey and Liz Loughran to meet you as you propose to discuss in more detail the issues and potential solutions. Conor and Liz are the senior officials responsible, respectively, for network services and transport policy. As you may know, Liz also leads for us on the connectivity study we have jointly commissioned with the Council and DfC and will be well placed to consider any issues that might have relevance to it.

I hope this is helpful.

Yours sincerely

KATRINA GODFREY
