1.2	Members will be aware that responsibility for HMO's was transferred to local district councils in April 2019 with the introduction of a new licensing regime. Any existing registrations under the old NIHE Registration Scheme operated were deemed to be licences at the point of transfer. Members are reminded that licences are issued for a 5 year period with standard conditions. Where it is considered necessary to do so, the Committee can also impose special conditions.						
1.3	Following the publication of this application, an objection was received in relation to the application. This objection raises general concerns about the overprovision of HMOs, balanced communities, infrastructure and safety checks						
1.4	As a valid objection has been received, the application must be considered by Committee which must, after hearing from the objector and the applicant, decide whether to grant the renewal application.

<p>3.0</p>	<p>Main report</p>
<p>3.1</p> <p>3.2</p> <p>3.3</p> <p>3.4</p> <p>3.5</p> <p>3.6</p>	<p><u>Key Issues</u></p> <p>Pursuant to the 2016 Act, the Council may only grant a licence if it is satisfied that:</p> <ul style="list-style-type: none"> a) the occupation of the living accommodation as an HMO would not constitute a breach of planning control; b) the owner, and any managing agent of it, are fit and proper persons; c) the proposed management arrangements are satisfactory); d) the granting of the licence will not result in overprovision of HMOs in the locality; e) the living accommodation is fit for human habitation and— <ul style="list-style-type: none"> (i) is suitable for occupation as an HMO by the number of persons to be specified in the licence, or (ii) can be made so suitable by including conditions in the licence. <p>When considering the fitness of an applicant the Council must have regard to any offences concerning fraud/ dishonesty, violence, drugs, human trafficking, firearms, sexual offences, unlawful discrimination in, or in connection with, the carrying on of any business; or any provision of the law relating to housing or of landlord and tenant law. It also permits the Council to take into account any other matter which the council considers to be relevant.</p> <p>Section 20 of the 2016 Act states where the holder of an HMO licence makes an application for renewal, the council must apply the above provisions except for (a) and (d); namely whether the use is a breach of planning control or would result in overprovision.</p> <p>Members will recall that counsel has advised that councils cannot taken into account the absence of planning permission through the prism of fitness. On the basis of this advice, Legal Services have confirmed that this also applies to issues around overprovision.</p> <p><u>Objections</u></p> <p>Following publication of notice of the application, an objection was received in relation to the renewal application. A copy of that objection is appended to this report. As appears from the objection, the issues raised are as follows:</p> <ul style="list-style-type: none"> a) Over provision of HMOs in this area, leading to densification of the neighbourhood and reducing living quality; b) Room sizes; c) The need for safety checks <p>Point a), b) and c) are not specific to the premises and as this is a renewal application the legislation prohibits the Council from taking into account issues around overprovision.</p>

3.7	<p>The NIHMO Unit has consulted with City and Neighbourhood Services who have advised that a small number of noise complaints have been received in respect of the property. However, these have been generally rare and infrequent in nature, with the most recent complaint being received on 10 May 2018. The Council was not required to take any formal enforcement action as a result of any of the complaints received</p> <p><u>Applicant</u></p>
3.8	<p>The applicant has confirmed that he has not been convicted of any relevant offences as set out at paragraph 3.1 of this report. The applicant has not been being convicted of any offences by the Council. Due to data protection issues which have recently arisen, PSNI have not been accepting or responding to notification of these applications. Officers are continuing to engage with PSNI to find a resolution to this issue. Officers are not aware of any issues relevant to the applicant's fitness.</p>
3.09	<p>The applicant and/or his representatives will be available to discuss any matters relating to the renewal of the licence should they arise during your meeting.</p> <p><u>Suitability of the premises</u></p>
