

To Members of Belfast City Council Licensing Committee:

Dear Members

We would like to request that you consider our request for an extension to the standard hours of an outdoor entertainments license and grant permission for an extra half hour to permit entertainment be provided until 11:30pm.

Our community cohesion has suffered greatly over the past 17 months and our three-day event in August aims to help build those relationships stronger and therefore help bring all the community together.

As our main evening event is not starting until 9pm on the Friday and Saturday nights we believe it would benefit the program of events if we could have the extra half an hour on each of the two nights.

Thank you

Lynda Courtney
