

Tsar for the Holylands Area

'Following yet another turbulent Freshers Week in the Holylands, this Council regrets that little progress has been made to date on efforts to address anti-social behaviour and to bring forward a regeneration scheme for the area.

This Council will redouble its efforts to implement the recommendations of the Louise Browne and the Paddy Gray reports and calls on the NI Executive and the Universities to work together with us to establish a Tsar for the Holylands area in order to drive this work forward. This role will be properly resourced and empowered to work cross-departmentally and in conjunction with residents and other stakeholders in the area to achieve fundamental changes to the area.
