#PositiveAgeingMonth

A month-long festival of events and activities for older people

Positive Ageing Month celebrates the contribution that older people make to their communities and the city of Belfast.

Now in its sixth year, the festival looks different again this year but still has activities to suit all tastes. Unfortunately, there will be no big get togethers but we hope people will still be able to connect in some way.

Booking is essential for most events this year so please check details.

Belfast u3a

Belfast u3a (University of the Third Age), is a learning organisation for older people who are not in full-time employment. It enables members to engage in many social activities and to share their knowledge and skills in relation to the arts, fitness, leisure, and creativity. With over 700 members and 57 interest groups, we cover a wide range of topics and activities. The groups are run by the members for the members. In normal times, we have a very interesting and fun-filled monthly meeting with a speaker, which is open to all members. However, due to Covid-19 regulations, this monthly meeting has been held successfully on Zoom since September 2020. Some of our groups are also meeting on Zoom, while some outdoor activities (e.g. walking, bowling, and photography) were able to function in the Summer months, and we hope for more easing of restrictions in the Autumn.

For further information, see our website Belfast U3A: Welcome (u3asites.org.uk) and if you like what you see and are interested in joining us, please email our Membership Secretary (with your name and postal address) on membership@belfastu3a.org.
