	Closure of Notices of Motion and Issues Raised in Advance
3.4	At SP&R Committee on 20 th November 2020, it was agreed that Notices of Motion could be closed for one of two reasons:

- **Category 1 - Notices of Motion which contained an action that has been completed.** All Notices of Motion within this category contained a specific task that has since been complete. It is worth noting that, when Committee agree to action a Notice of Motion, there are sometimes additional actions agreed alongside the Notice of Motion. As these are not technically part of the Notice of Motion, they are taken forward through normal committee decision making processes. The Notice of Motion can therefore be closed, but additional actions related to it will continue to be progressed and reported to the committee. These additional actions are not contained in this report, but will be noted in the live database moving forward.
- **Category 2 - Notices of Motion have become Council policy or absorbed in to a strategic programme of work.** These Notices of Motion did not contain a specific task that could be complete. Instead, they were more strategic in nature and required changes in Council policy and/ or strategy for long term outcomes. Those listed within this category have all been agreed by Committee and are now either Council policy or are currently being implemented through a Council strategy that is managed by a Standing Committee through the corporate planning process.

3.5 Following an update of those Notices of Motion and Issues Raised in Advance on the live database, it is recommended that Members approve the following Motions/Issues for closure.

Category 1 Recommended Closures:

- **Future Fossil Fuel Development (No 26)** - the Member has been provided with an update on this request and is content with the advice provided. This issue is now recommended for closure.
- **Portacabin at Wedderburn (No 32)** – request withdrawn by Member.
- **Proposal for pedestrian crossing at new BCC play park on Upper Dunmurry Lane (No 38)** - correspondence has been issued to DfI with a formal request for pedestrian crossing on Upper Dunmurry Lane beside the BCC carpark.
