3.2	<p>The DBEC group proceeded with the commissioning of a development plan, strategy and action plan for the partnership. It is being supported by a working group of officials from across the partnership. Activities include:</p> <ul style="list-style-type: none"> • Review of successful corridors, including staffing, funding, legal and governance structures including powers and purpose, and successful initiatives or projects carried out by the partners • Review of existing cross border structures/entities and funding, legislative environment • Review of existing research and delivery in priority sectors to identify gaps in provision/research, areas of alignment and potential for collaboration • Identification of options to support the development of a DBEC entity aligned with the partnership's ambitions including recommended governance, legal and operating structures • Development of a detailed resource plan to support the delivery of the DBEC entity including identification of potential sources of funding.
3.3	To date, the delivery team has undertaken research in relation to future governance, operational, legal and resourcing models for the partnership. This has included a comparative analysis of other corridors and consultations with existing cross border institutions and relevant internal and external stakeholders. The next steps for stage 1 include finalising consultations with cross border bodies and preparing the implementation and resourcing plan. Once approved the delivery team will proceed to stage 2 of the project. Since the previous update, the inaugural meeting of the Dublin Belfast Political Oversight Group took place on 23 November 2021 at City North Hotel, Dublin. The CEOs of the council partners attended the meeting along with the three elected representatives from each council. A Chair and Vice Chair of the group were elected to serve a one-year term. The Chair is Councillor Pete Byrne from Newry Mourne and Down District Council and the Mayor

	<p>of Fingal, Councillor Seána Ó Rodaigh, of Fingal County Council was elected as Vice-Chair. The team delivering the development plan used this session as an opportunity to undertake a consultation workshop with elected representatives and officials and this will feed into the development plan.</p> <p>3.4 It was previously decided to delay the convening of a business advisory group until work on the development plan and strategy has progressed. It is expected that the private sector will be consulted as part of the current work.</p> <p>3.5 The first stage of the research is being finalised and emerging priorities are listed below,</p> <ul style="list-style-type: none"> - The need for dedicated resourcing plan including a single staff resource to drive the development for the corridor and make applications for funding - The need for the creation of a standalone entity and provision of associated annual budget - Agreement on key areas for policy co-operation – skills, research & innovation, climate mitigation/action etc. <p><u>Next Steps</u></p> <p>3.6</p> <ul style="list-style-type: none"> - Proposal for resourcing and funding model for consideration by CX and elected member advisory board - Appointment and in parallel funding applications to be made to secure annual budget <p><u>Financial & Resource Implications</u></p> <p>The work on the development plan will be resourced from the 2021/22 Enterprise and Business Growth budget.</p> <p>3.7</p> <p><u>Equality or Good Relations Implications/Rural Needs Assessment</u></p> <p>The unit is currently undertaking a process of equality screening on the overall work programme, this will ensure consideration is given to equality and good relation impacts throughout the delivery of this project.</p>
